About AnteoTech - AnteoTech Ltd (ASX:ADO)

AnteoTech is a revenue stage particle surface chemistry company leveraging our proprietary nano polymer technology to solve global industry problems for our customers in the clean energy and life sciences sectors. In the rapidly growing clean energy market, our lead product AnteoX™, has been proven to provide significant improvement in anode performance and the Company has partnered with global suppliers to the lithium-ion battery manufacturing, with first revenues targeted for late 2023 from our Brisbane based commercial plant. The portfolio includes a proprietary pure silicon anode in late-stage development, made with unrefined silicon which offers advantages of size, weight and cost. The life sciences division services the point of care and diagnostics markets from global diagnostics companies to technology developers. The unique characteristics of AnteoBind™ provides strong advantages in bioconjugation to rapidly speed up testing procedures and improve accuracy.
