

Alternate Director Appointment

Alligator Energy Limited **ASX: AGE (Alligator or the Company)** is pleased to advise the appointment of Mr Callum McIntyre as an alternate director for Mr Peter McIntyre.

Callum has extensive experience in the finance and technology industries, both in Australia and overseas. Previously based in London with international finance group Thomson Reuters, he started his career in Product Management focusing on technology development. He relocated back to Australia in 2019. Callum's broader skill set includes operational strategy and optimisation as well as corporate strategy and digital marketing.

Callum is currently the Director – Business and Investment – Labonne Enterprises, a private investment company. He is also a Director of ReCircle, a private Company researching the recovery and reuse of soft plastics.

Callum holds a Bachelor of Science from the University of Western Australia majoring in Applied Mathematics and Mathematical Statistics. He completed a Graduate Diploma of Applied Finance majoring in Corporate Finance. He is a certified Product Manager.

Alligator's Chairman, Paul Dickson, said *"The Board of Directors welcomes Callum and the experience he brings in the areas of corporate finance and technology and would like to acknowledge the valuable contribution that Peter continues to make in advancing the Company's strategy."*

This announcement has been authorised for release by the Alligator Energy Board.
