**Request for trading halt: Metro Performance Glass Limited NZX Code (MPG) ASX Code (MPP)**

We request a trading halt to be applied to our ordinary shares under NZX Listing Rule 9.9.1(a) and ASX Listing Rule 17.1 and set out below details of the request as per the rules of each of NZX and ASX.

We would like the trading halt to commence from the commencement of trading on 18 July 2023.

**Reasons for trading halt:** The Company has received a substantial product holder notice which notes that two existing shareholders (Takutai Limited and Masfen Securities Limited) have entered into a co-operation agreement with respect to a potential transaction involving the Company. The Company wishes to put out an announcement in response to that substantial product holder notice (the **Updating Announcement**).

**How long we want the trading halt to last:** We request the trading halt until we release the Updating Announcement. We will release the Updating Announcement as soon as practicable today.

**The event we expect to happen that will end the trading halt:** Release of the Updating Announcement.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely

Company Secretary
