**Invitation to the Control Bionics Technology Showcase
at University of NSW City Campus**

Dear Shareholder

I hope this message finds you well. We are delighted to extend an invitation to you for our upcoming Investor Technology Showcase event at the University of NSW City Campus in Sydney. We have included the event details below for your reference:

Location: University of NSW City Campus, Sydney (Level 7/1 O'Connell St, Sydney, NSW)

Date & Time: The Technology Showcase will commence immediately following the Control Bionics Annual General Meeting on **Tuesday 10 October**, which is scheduled to conclude at approximately 12 noon. A light lunch will be served from 12:30 PM onwards.

Event Highlights: During the showcase, we will be featuring a comprehensive hands-on display of our latest technologies, including our flagship Trilogy system and our recently launched autonomous wheelchair module, DROVE. This is a valuable opportunity for you to gain firsthand insights into our innovative solutions. We are also pleased to inform you that members of our Board and senior management team will be in attendance, providing you with a unique chance to engage with our leadership and discuss the future of technology in our field.

RSVP: We kindly request your response to this invitation by October 3rd. Please head to <https://www.controlbionics.com/connection-center/investor-day/> to accept your invitation.

Please let us know if you have any questions or require additional information about the event. We sincerely hope that you can join us for this exciting showcase of cutting-edge technology and networking opportunities.

Your presence would be highly valued, and we look forward to your response.

Yours sincerely

Jeremy Steele
CEO and Managing Director
Control Bionics Ltd
