About Change Financial

Change Financial Limited (ASX: CCA) (**Change**) is a global fintech, leveraging innovative and scalable technology to provide tailored payment solutions, card issuing and testing to banks and fintechs. Change's technology is used by 150+ clients across 40+ countries to deliver simple, flexible, and fast-to-market payment services, including card issuing and testing.

Change's payments as a service (PaaS) platform Vertexon, seamlessly integrates with banks and fintechs' core systems enabling delivery of digital and virtual card solutions to their customers. It includes integrated features such as Apple Pay, Google Pay, Samsung Pay and Buy Now Pay Later (BNPL) services. Change currently manages and processes over 27 million credit, debit, and prepaid cards worldwide.

Using PaySim, Change tests payment systems to help clients meet the reliability and performance expectations of end customers. Simulating the full transaction lifecycle across multiple systems, PaySim enables banks and fintechs to complete end-to-end testing of their payment platforms and processes from a desktop. Change also provides the default standard for payments testing for many Australian companies, including Australia's domestic card payment service eftpos.
