#### About Bravura Solutions Limited

Bravura Solutions Limited is a leading provider of software solutions for the wealth management, life insurance, and funds administration industries. Our solutions are underpinned by functionally rich technology that enables modernisation, consolidation, and simplification. Our software solutions enable our clients to increase speed to market, provide a seamless digital experience and address ongoing changes in financial services regulation. Backed by over 30 years of experience, our on-premise, managed, hosted and cloud solutions are used by many of the world's leading financial institutions, who entrust trillions of dollars in assets held in accounts to our systems. We support our clients with a team of more than 1,500 people in 16 offices across Australia, New Zealand, United Kingdom, Europe, Africa, and Asia.
