

Update to previous announcement.

20 December 2023

Webjet Limited (ASX:WEB) wishes to advise that the Appendix 2A released to the ASX on 18 August 2023 (with announcement title “Application for quotation of securities – WEB”) contained an error as to the consideration being paid for the securities. The answer to the question on page 5 of the announcement “Are the +securities being issued for a cash consideration?” should have been “No” and accordingly the issue price per security should have been Nil (not applicable).

This announcement was authorised for release by the Company Secretary.
