The directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the 'consolidated entity') consisting of Rectifier Technologies Ltd (referred to hereafter as the 'company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2023.

Directors

The following persons were directors of Rectifier Technologies Ltd during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

Mr. Ying Ming Wang
Mr. (Zorn Wong) Zong Xu Wang (appointed on 6 December 2023)
Mr. Trevor Fox (appointed on 6 December 2023)
Mr. Philippe Compagnon (appointed on 6 December 2023)
Dr. Deng Mu (appointed on 6 December 2023)
Mr. Yanbin Wang (resigned on 29 November 2023)
Mr. Valentino Vescovi (resigned on 29 November 2023)
Mr. Nigel Machin (resigned on 29 November 2023)
Mr. Nicholas Yeoh (resigned on 29 November 2023)
Mr. Jitto Arulampalam (appointed on 9 October 2023 and resigned on 29 November 2023)

Principal activities

The principal activities of the consolidated entity were the design and manufacture of high efficiency power rectifiers, and the production of electronic and specialised magnetic components.

Review of operations

The loss for the consolidated entity after providing for income tax amounted to \$2,107,839 (31 December 2022: profit of \$3,759,988).

The first half of the financial year was slow due to delays in the construction EV charger infrastructure which led to delays in EV charger deployment. However we are hopeful that this represents a temporary set-back as we are already seeing signs of market recovery.

In addition, one of our major customers who use an earlier-generation high-voltage power supply which we supply, are experiencing working capital issues, leading to a reduction in sales and some delay in the take up of previous open orders. We are ensuring that the current open orders on this product are being honored by that customer.

The company's production has been rejuvenated under the new management team so that the manufacturing throughput is more efficient with higher quality and potential for high volumes.

The second phase of the ERP implementation has been completed which means the entire company is on to a unified platform that will help drive efficiencies across the company.

The Company's shares were suspended from quotation by ASX when all but one of the directors resigned on 29 November 2023 rendering the Company unable to comply with section 201A(2) of the Corporations Act (which requires a public company to have at least 3 directors, 2 of which who ordinarily reside in Australia). The Company's compliance with this requirement was restored on 6 December 2023 with the appointments of Mr Trevor Fox, Mr Philippe Compagnon and Dr Deng Mu as independent non-executive directors and Mr Zorn Wong as an executive director.

The Company's shares remain suspended from quotation as the Company cooperatively responds to ASX's queries in relation to the circumstances of the resignations.

Outlook

The USA National EV Infrastructure (NEVI) billion-dollar bi-partisan program has become a significant focus of the EV international market. NEVI requires a significant USA-made content. To support our customer's entry into this market, we are aligning the design of the 'RT22 50KW EV Charger Module' for economical volume manufacture in a high labour cost environment by being compatible with a high-level automated manufacturing.

The customised 'high-voltage input rectifier' project development is waiting for the delivery of material from the customer to complete the prototypes which are required by the customer for validation in the first half of 2024. Upon successful validation, the customer has scheduled production to commence in late 2024.

Rectifier Technologies Ltd and Controlled Entities
Directors' report
31 December 2023

We have successfully demonstrated at various CharIn test events throughout 2023, a proof-of-concept EV charger control system that allows RT22 potential customers to rapidly create their own EV Charge station. We are now assessing the feasibility of taking this product to market.

The engineering team is currently exploring technology to provide mega-watt charging modules to support sales opportunities to provide solutions to energy resources-focused companies. If these opportunities are realised in the half of 2024 this will be a significant engineering undertaking for the company.

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

Note 1. General information

The financial statements cover Rectifier Technologies Ltd as a consolidated entity consisting of Rectifier Technologies Ltd ('company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year (the 'consolidated entity'). The financial statements are presented in Australian dollars, which is Rectifier Technologies Ltd's functional and presentation currency.

Rectifier Technologies Ltd is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

97 Highbury Road
Burwood, VIC 3125

A description of the nature of the consolidated entity's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 29 February 2024.

Note 2. Material accounting policy information

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the consolidated entity during the financial half-year ended 31 December 2023 and are not expected to have significant impact for the full financial year ending 30 June 2024.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Note 3. Operating segments

Identification of reportable operating segments

The consolidated entity is organised into 4 operating segments as described below. These operating segments are based on the internal reports that are reviewed and used by the executive management committee (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources. The executive management committee considers the business from both a product and geographic perspective and assesses performance and allocates resources on this basis. There is no aggregation of operating segments.

Note 3. Operating segments (continued)

| Segment | Description |
|--|---|
| Electronic Components | Rectifier Technologies Pacific Pty Ltd and Rectifier Technologies Malaysia Sdn Bhd which is based in Malaysia manufacture electronic components for a number of industries. |
| Industrial Power Supplies (Electricity generation/ distribution and Defence) ('E&D') | Rectifier Technologies Pacific Pty Ltd and Rectifier Technologies Malaysia Sdn Bhd manufacture and distribute rectifiers, controllers, accessories and complete systems for the power generation, distribution industries and defence. Rectifier Technologies Singapore Pte Ltd only focuses on distribution. |
| Industrial Power Supplies (Transport and Telecommunication) ('T&T') | Rectifier Technologies Pacific Pty Ltd and Rectifier Technologies Malaysia Sdn Bhd manufacture and distribute power supplies for the transport industries and telecommunications. Rectifier Technologies Singapore Pte Ltd only focuses on distribution. |
| Industrial Power Supplies (Electric vehicles) ('EV') | Rectifier Technologies Pacific Pty Ltd, Rectifier Technologies Singapore Pte Ltd and Rectifier Technologies Malaysia Sdn Bhd manufacture and distribute electric vehicle charges, battery charges and power supplies for a number of industries. Rectifier Technologies Singapore Pte Ltd only focuses on distribution. |

The CODM reviews earnings before interest, tax, depreciation and amortisation ('EBITDA'). This measure excludes non-recurring expenditure such as restructuring costs, impairments and share-based payments as well as interest revenue and interest expense and other items which are considered part of the corporate treasury function. The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements.

The information reported to the CODM is on a monthly basis. Refer to note 4 for geographic information.

Intersegment transactions

Intersegment transactions were made at market rates. Inter-segment revenue comprises sales between segments which are on arm's length terms. Intersegment transactions are eliminated on consolidation.

Intersegment receivables, payables and loans

Intersegment loans are initially recognised at the consideration received. Intersegment loans receivable and loans payable that earn or incur non-market interest are not adjusted to fair value based on market interest rates. Intersegment loans are eliminated on consolidation.

Note 10. Dividends

There were no dividends paid, recommended or declared during the current or previous financial half-year.

Note 11. Contingent liabilities

The consolidated entity had no contingent liabilities as at 31 December 2023 and 30 June 2023.

Note 12. Share-based payments

A share option plan has been established by the consolidated entity and approved by shareholders at a general meeting, whereby the consolidated entity may, at the discretion of the Board, grant options over ordinary shares in the Company to certain key management personnel of the consolidated entity. The options are issued for nil consideration and are granted in accordance with performance guidelines established by the Board.

On 15 August 2023, the Company granted 37,000,000 share options of its common stock to employees under its Employee Share Option Plan (ESOP) at an exercise price of \$0.06. Options under this plan vest immediately allowing the holder to purchase one ordinary share per option, exercisable in multiples of 100,000. The maximum term of the options granted under the ESOP ends on 15 August 2025. The weighted average fair value of options granted has been calculated as \$0.0177 per option. All granted employee options were immediately recognised as an expense in the statement of profit or loss with a corresponding credit to share option reserve for the value of \$432,900 for the half-year period ended 31 December 2023.

This value was calculated by using the Black-Scholes Pricing model applying the following inputs:

| | Number of options 31 Dec 2023 |
|---|-------------------------------------|
| Outstanding at the beginning of the financial half-year | 8,840,000 |
| Granted | 37,000,000 |
| Exercised | <u>(3,080,000)</u> |
| Outstanding at the end of the financial half-year | <u><u>42,760,000</u></u> |

For the options granted during the current financial half-year, the valuation model inputs used to determine the fair value at the grant date, are as follows:

| Grant date | Expiry date | Share price at grant date | Exercise price | Expected volatility | Dividend yield | Risk-free interest rate | Fair value at grant date |
|------------|-------------|------------------------------|-------------------|------------------------|-------------------|----------------------------|-----------------------------|
| 15/08/2023 | 15/08/2025 | \$0.0490 | \$0.0600 | 77.00% | - | 4.00% | \$0.0117 |

Note 13. Events after the reporting period

No matter or circumstance has arisen since 31 December 2023 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

Independent Auditor's Review Report

To the Members of Rectifier Technologies Limited

Report on the half-year financial report

Conclusion

We have reviewed the accompanying half-year financial report of Rectifier Technologies Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2023, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a description of accounting policies, other selected explanatory notes, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Rectifier Technologies Limited does not comply with the *Corporations Act 2001* including:

- a giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- b complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Directors' responsibility for the half-year financial report

The Directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
