Correction Notice – Appendix 3G

Diverger Limited (**Diverger** or the **Company**) (ASX: DVR) refers to the Appendix 3G – *Notification of Issue, Conversion or Payment up of Unquoted Equity Securities* lodged with the ASX on 5 December 2022.

It has come to the Company's attention that the Appendix 3G contained an error related to the number of securities issued in Part 3B (issue details), as the form only recorded the Performance Rights issued to the Directors but not to the eligible employees of the Company.

The Company has now lodged an online Appendix 3G to notify the additional securities granted to the eligible employees that were omitted in the Appendix 3G lodged on 5 December 2022.

The total Performance Rights on issue as of the current date is 2,095,580.

The Company advises that it has reviewed the procedures and confirms that necessary systems and procedures are in place to prevent any further errors from happening in the future.

Authorised for release by the Chief Financial Officer and Joint Company Secretary of Diverger Limited.
