To ensure that as many shareholders as possible have the opportunity to speak, we ask that all shareholders observe the following when asking questions:

- all shareholder questions should be stated clearly and should be relevant to the business of the Meeting;

- shareholders should not ask questions at the Meeting regarding personal matters or those that are commercial in confidence.

If you wish to register questions in advance of the Meeting, you are invited to do so by emailing [info@freehillmining.com](mailto:info@freehillmining.com).

Written questions must be received by the Company by 11:00am (AEST) on Wednesday, 14 August 2023, and can be submitted by mail, by email or in person.

We will attempt to address the more frequently asked questions in the Chair's presentation at the Meeting.

### Voting

#### Eligibility to vote

The Company has determined that, in accordance with regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Company's shares quoted on ASX Limited at 7:00pm (AEST) on Wednesday, 16 August 2023 will be taken, for the purposes of the general meeting, to be held by the persons who held them at that time. Accordingly, those persons are entitled to attend and vote at the

Meeting.

Shareholders may vote by appointing a proxy.

### **All resolutions by poll**

In accordance with the Company's constitution, the Chair intends to call a poll on each of the resolutions proposed at the Meeting. Each resolution considered at the Meeting will therefore be conducted by poll, rather than a show of hands. The Chair considers voting by poll to be in the best interests of the shareholders as a whole, and to ensure the proportionate representation of shareholders voting at the Meeting.

### **Proxies**

A shareholder who is entitled to attend and vote at the Meeting may appoint up to two proxies to attend and vote on behalf of that shareholder. If you require an additional proxy form, please contact the Company's share registry Automic on 1300 288 664 (within Australia) or +61 2 9698 5414 (overseas).

If a shareholder appoints two proxies, the appointment of the proxies may specify the proportion or the number of that shareholder's votes that each proxy may exercise. If the appointment does not so specify, each proxy may exercise half of the votes. Fractions of votes will be disregarded.

Where a shareholder appoints more than one proxy, neither proxy is entitled to vote on a show of hands.

A proxy need not be a shareholder of the Company.

To be effective, the Company must receive the completed proxy form and, if the form is signed by the shareholder's attorney, the authority under which the proxy form is signed (or a certified copy of the authority) by no later than 11:00am (AEST) on Wednesday, 16 August 2023.

Proxies may be lodged with the Company, along with the power of attorney or other authority (if any) under which the proxy form is signed:

**by facsimile:**

+61 2 8583 3040

Proxies given by corporate shareholders must be executed in accordance with their constitutions or signed by a duly authorised officer or attorney.

A proxy may decide whether to vote on any motion, except where the proxy is required by law or the constitution to vote, or abstain from voting, in their capacity as proxy. If a proxy is directed how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If a proxy is not directed how to vote on an item of business, the proxy may vote as he or she thinks fit.

If a shareholder appoints the Chair of the Meeting as the shareholder's proxy and does not specify how the Chair is to vote on an item of business, the Chair will vote, as proxy for that shareholder, in favour of that item on a poll.

## **Voting by Corporate Representatives**

A shareholder or proxy that is a corporation is entitled to attend and vote at the Meeting and may appoint an individual to act as its corporate representative. The Company must receive evidence of the appointment of a corporate representative prior to the Meeting and the appointment must be in accordance with the Corporations Act.

## **Voting by Attorney**

A shareholder entitled to attend and vote at the Meeting is entitled to appoint an attorney to attend and vote at the Meeting on the shareholder's behalf. An attorney need not be a shareholder of the Company.

The power of attorney appointing the attorney must be duly executed and specify the name of each of the shareholder, the Company and the attorney, and also specify the meetings at which the appointment may be used. The appointment may be a standing one.

To be effective, the power of attorney must also be returned in the same manner, and by the same time, as outlined above for proxy appointment forms.

## **Evidence of execution**

If any instrument (including a proxy appointment form or appointment of corporate representative) returned to the Company is completed by an individual or a corporation under power of attorney, the power of attorney under which the instrument is signed, or a certified copy of that power of attorney, must accompany the instrument unless the power of attorney has previously been noted by the Company or the Company's share registry.

# Explanatory Memorandum

## 1. Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders in relation to the business to be conducted at the Meeting.

The purpose of this Explanatory Memorandum is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolutions in the accompanying Notice dated 12 July 2023.

This Explanatory Memorandum should be read in conjunction with the Notice. Capitalised terms in this Explanatory Memorandum are defined in the Glossary.

## 2. Summary of Relevant ASX Listing Rules and Chapter 2E of the Corporations Act

---

### 2.1 ASX Listing Rules

Resolutions 1 to 9 seek approval under ASX Listing Rules 7.1, 7.4 or 10.11.

A summary of these Listing Rules are as follows:

- (a) ASX Listing Rule 7.1, broadly speaking, and subject to a number of exceptions, limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period;
- (b) ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule; and
- (c) ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to a related party, an associate of a related party or certain other persons specified in ASX Listing Rule 10.11, unless it obtains the approval of its shareholders.

### 2.2 Chapter 2E of the Corporations Act

In accordance with section 208 of the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Section 210 of the Corporations Act provides that member approval is not needed to give a financial benefit on terms that:

- (a) would be reasonable in the circumstances if the public company or entity and the related party were dealing at arm's length; or
- (b) are less favourable to the related party than the terms referred to in paragraph (a) above.

Section 211(1) of the Corporations Act provides that member approval is not needed to give a financial benefit if:

- (a) the benefit is remuneration to a related party as an officer or employee of the following the public company; and
- (b) to give the remuneration would be reasonable given:
  - (i) the circumstances of the public company or entity giving the remuneration; and
  - (ii) the related party's circumstances (including the responsibilities involved in the office or employment).

Resolutions 3, 4, 6, 7 and 8 contemplate the giving of a financial benefit to related parties of the Company by way of an issue of Shares. However the Company does not propose to seek Shareholder approval for the proposed giving of the financial benefit under Resolutions 3, 4 and 7 due to the exception in section 210 of the Corporations Act, and under Resolutions 6 due to the exception in section 211(1) of the Corporations Act.

### **3. Summary of Impact on Capital Structure**

Resolutions 2 to 8 seek Shareholder approval for the future issue of Shares. The following table sets out the impact of the issue of all of the Shares under these Resolutions:

**If you are attending the meeting in person, please bring this with you for Securityholder registration.**

**Holder Number:**

Your proxy voting instruction must be received by **11.00am (AEST) on Wednesday, 16 August 2023**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

## SUBMIT YOUR PROXY

**Complete the form overleaf in accordance with the instructions set out below.**

### YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

### STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

### DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

### STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
