In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

#### ***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and

either of the following applies:

- the proxy is not recorded as attending the meeting;
- the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at [www.iodm.com.au](http://www.iodm.com.au)

## RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

### 1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2023.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

### 1.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting. All of the Directors who were in office when the Directors' report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

### 1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

### 1.4 Proxy Restrictions

Shareholders appointing a proxy for Resolution 1 should note the following:

#### ***If you appoint a member of the Key Management Personnel as your proxy***

If you elect to appoint a member of Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of that member, ***you must direct the proxy how they are to vote***. Undirected proxies granted to these persons will not be included in any vote on Resolution 1.

#### ***If you appoint the Chair as your proxy***

If you elect to appoint the Chair as your proxy, you do not need to direct the Chair how you wish them to exercise your vote on Resolution 1.

#### ***If you appoint any other person as your proxy***

You do not need to direct your proxy how to vote, and you do not need to tick any further acknowledgement on the proxy form.

---

## RESOLUTION 2 – ELECTION OF DIRECTOR – MS KAREN PENNEY

Clause 8.1(a) of the Constitution provides that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Pursuant to clause 8.1(b) of the Constitution, any Director, who is not a Managing Director, so appointed, holds office only until the next annual general meeting and is then eligible for election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Accordingly, Ms Karen Penney, having been appointed on 14 June 2023, retires from office in accordance with the requirements of clause 8.1(b) of the Constitution and, being eligible, submits herself for election by Shareholders in accordance with clause 8.1(b) of the Constitution.

---

## RESOLUTION 3 – RE-ELECTION OF DIRECTOR – DR PAUL KASIAN

Clause 8.1(c) of the Constitution requires that that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

A Director who retires due to holding office for more than three years under Clause 8.1(c) of the Constitution is eligible for re-election.

Accordingly Dr Paul Kasian retires in accordance with the Constitution and, being eligible for re-election, offers himself for re-election at the Annual General Meeting.

---

## RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE – SHARES

### 4.1 General

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

### Resolution 4 – Ratification of previous issue of shares to professional and sophisticated investors

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Share Placement Ratification:

- (a) The shares were issued to an institutional investor and a client of Cashel House. None of these subscribers were:
  - (i) Related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisors of the Company or any associate of any of these parties; and
  - (ii) Issued more than 1% of the issued company of the Company;
- (b) 6,250,000 shares were issued pursuant to Listing Rule 7.1;
- (c) the issue prices of the Shares were as follows  
\$0.36
- (d) the issue date was 6 February 2023
- (e) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (f) the Shares were issued to sophisticated investors under a private placement who were not related parties or associates of the Company; and
- (g) funds raised from the share placement were used to fund the expansion overseas and to fund the development of new architecture

### Directors' recommendation

The Directors recommend that you vote in favour of this resolution.

## **RESOLUTIONS 5 TO 8 PROPOSED ISSUE OF DIRECTOR SHARE OPTIONS TO KEY MANAGEMENT PERSONNEL AND DIRECTORS/RELATED PARTIES AND/OR NOMINEES**

Resolutions 5 to 8 seek the approval of Shareholders to issue a total of 750,000 Employee Share Options to the Key Management Personnel (KMP - CEO and COO) and being Mr M Reilly, Ms P Halsall, and Non-Executive Director being Dr Paul Kasian and Related Party Mr Anthony Smith (and/or their nominees). Mr Anthony Smith resigned as a Director on 7 July 2023, and having been a Director of the Company within the last six months, is considered a Related Party of the Company under the definitions set out in ASX Listing Rule 19.12. Mr Anthony Smith continues as a corporate advisor of the Company.

Approval is sought pursuant to section 208 of the Corporations Act and Listing Rule 10.14.

### **5.1 Background**

The Key Management Personnel, Director and Related Party Employee Share Options contemplated by Resolutions 5 to 8 will be issued to the KMP, Directors and Related Parties to align the long term goals of the KMP, Directors and Related Parties with that of Shareholders and to establish an incentive for the KMP, Directors and Related Parties to provide ongoing dedicated services to the Company. These Employee Share Options are intended to provide remuneration to the KMP, Directors and Related Parties (and/or their nominees) that is linked to the performance of the Company. The benefit would only be received from the KMP, Director and Related Parties Employee Share Options upon the Share price exceeding the exercise price of the KMP, Director and Related Parties Employee Share Options and thereby warranting their exercise.

Under the Company's current circumstances, the Directors consider that the incentive noted above, represented by the issue of KMP, Directors and Related Party Employee Share Options, is a cost effective and efficient reward and incentive to provide the KMP, Directors and Related Parties as opposed to alternative forms of incentive such as payment of cash compensation only. In addition, the Board consider it prudent to remunerate the KMP, Directors and Related Parties by way of KMP, Director and Related Parties Employee Share Options as to preserve the cash reserves of the Company.

The terms of the Employee Share Plan (ESOP) are summarised in Schedule 1.

### **5.2 Section 208 of the Corporations Act**

Section 208 of the Corporations Act states that a public company cannot give a "financial benefit" (including an issue of shares and options) to a "related party" of the Company unless one of the exceptions set out in section 210 to 216 of the Corporations Act apply, or the holders of ordinary securities have approved the giving of the financial benefit to the related party in a general meeting.

Each of the KMP and Directors is a related party of the Company within the meaning specified under section 228 of the Corporations Act. Further, the provision of the KMP and Director Incentive Options constitutes a financial benefit within the meaning of section 229 of the Corporations Act. Accordingly, Shareholder approval is sought under section 208 of the Corporations Act to permit the issue of the Director Employee Share Options on the terms set out in Resolutions 5 to 8 to the Directors (and/or their nominees) as related parties of the Company.

As required by section 219 of the Corporations Act, the following information is provided in relation to Resolutions 5 to 8:

**(e) Dilution**

If all of the KMP and Director Employee Share Options under Resolutions 5 to 8 (inclusive) were exercised, and no other Shares were issued by the Company the shareholding of existing Shareholders would, based on the current issued capital of the Company, be diluted by approximately 0.13%.

**(f) Opportunity costs to the Company**

The Directors do not consider that there are any opportunity costs to the Company or benefits foregone by the Company in granting the KMP and Director Employee Share Options.

**(g) Funds raised**

The KMP, Directors and Related Party Employee Share Options are granted for nil consideration. Accordingly, no funds will be raised.

**(h) Directors' interests**

The KMP and each Director, as a recipient of the Employee Share Options, has a material personal interest in the outcome of the Resolution that applies specifically to them.

**(i) Directors' recommendation**

See section 6.4 below.

**(j) Other information**

Other than as set out in this Explanatory Statement, there is no further information which the Shareholders would reasonably require in order to decide whether or not it is in the Company's best interests to pass Resolutions 5 to 8.

### 6.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a company must not issue equity securities to key management personnel and director or an associate of a director of the company under an employee incentive scheme without the approval of holders of ordinary securities, or to a person whose relationship with the company or a related party of the company is, in ASX's opinion, such that approval should be obtained. Further, ASX Listing Rule 7.2 (Exception 14) states that approval pursuant to ASX Listing Rule 7.1 is not required if shareholder approval is obtained under ASX Listing Rule 10.14.

The KMP and Directors are related parties of the Company within the definition specified in ASX Listing Rule 19.12. Accordingly, Shareholder approval is sought under ASX Listing Rule 10.14 to permit the issue of 750,000 KMP and Director Incentive Options to the Directors (and/or their nominees) as related parties of the Company on the terms set out in this Explanatory Statement and Annexure B.

## RESOLUTION 9 – APPROVAL OF 10% PLACEMENT FACILITY

### 9.1 General

Listing Rule 7.1A enables eligible entities to seek Shareholder approval to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis).

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of \$167,067,385 as at 11 September 2023.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c) below).

The effect of Resolution 9 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1 or without Shareholder approval.

Resolution 9 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

### 9.2 Description of Listing Rule 7.1A

#### (a) Shareholder Approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

#### (b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

#### (c) Formulae for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

#### **(A x D) – E**

**A** is the number of shares on issue 12 months before the date of issue or agreement

- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid shares that become fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (iv) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

**D** is 10%

**E** is the number of Equity Securities issued or agreed to be issued under the Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.4.

### 9.3 Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the volume weighted average price (**VWAP**) of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A

#### Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following

- 9.3.1 the date on which is 12 months after the date of the annual general meeting at which the approval is obtained;
- 9.3.2 the time and date of the entity's next annual general meeting; and
- 9.3.3 the time and date on which Shareholders approve a transaction which under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

### 9.4 Specific Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Facility:

- (a) the Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
  - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
  - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 9 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Options, only if the Options are exercised). There is a risk that:
  - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
  - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.14 (50% decrease in current issue price)	\$0.28 (Current issue price)	\$0.56 (100% increase in current issue price)
<b>596,669,231</b> <b>(Current Variable A)</b>	<b>Shares issued – 10% voting dilution</b>	59,666,923	59,666,923	59,666,923
	<b>Funds raised</b>	\$8,353,369	\$16,706,738	\$33,413,477
<b>895,003,846</b> <b>(50% increase in Variable A)</b>	<b>Shares issued – 10% voting dilution</b>	89,500,385	89,500,385	89,500,385
	<b>Funds raised</b>	\$12,530,054	\$25,060,108	\$50,120,216
<b>1,193,338,462</b> <b>(100% increase in Variable A)</b>	<b>Shares issued – 10% voting dilution</b>	119,333,846	119,333,846	119,333,846
	<b>Funds raised</b>	\$16,706,738	\$33,413,477	\$66,826,953

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.28, being the closing price of the Shares on the ASX on 11 September 2023
- (c) The Company will only issue the Equity Securities during the 10% Placement Period.
- (d) The Company may seek to issue the Equity Securities for the following purposes:

cash consideration to grow the business and/or additional general working capital to fund growth opportunities and technology development.

The Company will comply with the disclosure obligations under the Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities. The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to the factors set out in the Company's allocation policy, including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) in the case of an asset or investment acquisition, the nature and circumstances of the acquisition
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company; and
- (v) advice from corporate, financial and broking advisers (if applicable).

The recipients under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

The Company obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its previous annual general meeting held on 24 October 2022 (**Previous Approval**).

The Company has not issued any Shares pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 24 October 2022, the Company otherwise issued a total of 9,643,938 Equity Securities which represents approximately 1.66% of the total diluted number of Equity Securities on issue in the Company on 24 October 2022, which was 581,782,513 which was 100% fully paid Ordinary shares.

The Board has the discretion to alter or waive vesting conditions attaching to incentives in whole or in part.

The Board has absolute discretion regarding the vesting conditions which will apply to a grant of incentives, however, vesting conditions which typically include a combination of continued service and satisfaction of agreed performance conditions and key performance indicators. If, in the case of Options, there is a price payable for the exercise of the Options this will be determined by the Board and set out in the Offer Letter.

On vesting of an Equity Performance Right or following the exercise of an Option the Board will issue the number of Shares in respect of the Equity Performance Rights vested or the Options exercised.
