SNAPSHOT

FOS has completed a successful first full year as a listed company posting record sales of \$13.5m, NPAT of \$0.35m and declaring a maiden fully franked dividend of 0.5c per share. The business has grown organically and via the acquisition of Ecopoint in NZ. We have further developed leading edge products and won many major projects around Australia & New Zealand. Our experienced executive team have successfully managed covid disruptions and supply chain issues and have placed the business in a great position to tackle FY23.

OUTLOOK

With a record active quote pipeline of \$56M, an order book of \$6.2m and a solid commercial construction market the foundations have been laid for an even stronger year ahead as we continue pursuing further acquisition opportunities.
