## 2022 Annual General Meeting Update

Clean TeQ Water Limited ('Clean TeQ Water' or 'Company') (ASX: CNQ & OTCQX: CNQQF), advises that further to its announcement dated 28 October 2022, the Company has, today, been granted approval by the Australian Securities and Investments Commission ('ASIC') an extension of time to hold its annual general meeting ('AGM') for the financial year 30 June 2022 from 30 November 2022 to 14 December 2022.

The Company sought an extension of its 2022 AGM to 14 December 2022 to allow shareholders to consider resolutions pertaining to the Placement, as announced on 27 October 2022, together with other resolutions ordinarily tabled at an AGM. It was desirable for shareholders to attend one meeting rather than two meetings within a relatively short period of time, noting that holding a single meeting was also of economic benefit to the Company.
