Proxies

All Shareholders who are entitled to participate in and vote at the AGM have the right to appoint a proxy to participate in the AGM and vote in their place. A proxy need not be a Shareholder and can be an individual or a body corporate.

You can direct your proxy how to vote (i.e. to vote 'for' or 'against', or to 'abstain' from voting on, each resolution) by following the instructions either online or on the hard copy voting form. A proxy may decide whether to vote on an item of business, except where the proxy is required by law or the constitution to vote, or abstain from voting, in his or her capacity as proxy. The Chair intends to vote all available (including undirected) proxies in favour of all resolutions, subject to the applicable voting exclusions.

If you are entitled to cast two or more votes, you may appoint two proxies and you may specify the proportion or number of votes that each proxy is appointed to exercise. If your appointment does not specify the proportion or number of your voting rights, each proxy may exercise half your votes (disregarding fractions).

The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending the meeting and voting personally. If the Shareholder votes on a resolution, the proxy must not vote as the Shareholder's proxy on that resolution.

ANNUAL GENERAL MEETING EXPLANATORY STATEMENT

This Annual General Meeting (**AGM**) Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the AGM.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the General Meeting resolutions.

1. ANNUAL REPORT

1.1 General

The first agenda item is to receive the Annual Report of the Company for the year ended 30 June 2022.

1.2 Corporations Act

Section 317 of the *Corporations Act 2001 (Cth)* requires the directors to lay before the Annual General Meeting the Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report for the last financial year that ended 30 June 2022.

The Annual Report is available on the Company's website and a printed copy has been sent to those shareholders who requested it.

In accordance with sections 250S and 250SA of the Corporations Act, Shareholders present at the Annual General Meeting will be provided with a reasonable opportunity to:

- (a) ask questions or make comment to the Directors present on the management of the Company and Remuneration Report; and
- (b) ask questions or make comment to the Auditor about the conduct of the audit and the preparation and content of the Auditor's Report.

No formal resolution to adopt the Annual Report will be put to the Shareholders at the Annual General Meeting.

Shareholders who are unable to attend the Annual General Meeting are able to submit written questions to the Chairman or the auditor about:

- (a) The preparation and the content of the 2022 Auditor's Report;
- (b) The conduct of the 2022 audit;
- (c) Accounting policies adopted by the Company in relation to the preparation of the 2022 financial statements; and
- (d) The independence of the Auditor in relation to the conduct of the 2022 audit.

The questions will need to be submitted no later than five (5) business days before the Annual General Meeting to the Company Secretary at the Company's Registered Office or via email to elissa.hansen@cosecservices.com.au.

2. RESOLUTION 1 – REMUNERATION REPORT

2.1 General

In accordance with Section 250R(2) of the Corporations Act, at a listed company's Annual General Meeting, a resolution that the Company's Remuneration Report be adopted must be put to the vote. Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and does not bind the Directors or the Company.

In accordance with Section 300A, the Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel. The Remuneration Report is part of the Directors' Report contained in the Annual Financial Report for the financial year ending 30 June 2021. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, companies are required to put to shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company ("Spill Resolution") if, at two consecutive Annual General Meetings, at least 25% of the votes cast on the Remuneration Report are voted against the adoption of the Remuneration Report and at the first of those Annual General Meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those Annual General Meetings.

If more than 50% of votes are cast in favour of a Spill Resolution, the Company must convene a shareholder meeting ("Spill Meeting") within 90 days of the second Annual General Meeting. At that meeting, all directors who were in office at the time of the Directors' Report, other than the managing director, will cease to hold office immediately before the Spill Meeting. Those persons who are elected or re-elected at the Spill Meeting will be the directors of the company. Note those directors who ceased to hold office immediately prior to the Spill Meeting may stand for re-election.

At the 2020 Annual General Meeting, the adoption of the remuneration report was approved by 94.44% of votes by shareholders who voted on the resolution. Accordingly, a Spill Resolution is not required at this AGM.

Shareholders of the Company will be provided with the opportunity to ask questions about or make comments on the Remuneration Report.

3. RESOLUTION 2 - ELECTION OF DIRECTOR

3.1 General

In accordance with ASX Listing Rule 14.5, a public listed company must hold an election of directors at each annual general meeting. Further, in accordance with ASX Listing Rule 14.4 and the Company's Constitution, a director must not hold office (without re-election) past the third annual general meeting following the director's appointment and a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting.

3.2 Richard Ash

Mr. Richard Ash was last elected as a director at the 2020 AGM, having initially been appointed as a director on 4 December 2019. Mr. Ash will retire by rotation at the conclusion of this meeting and, being eligible, offers himself for re-election.

Mr. Ash is a Chartered Accountant and has a Bachelor of Economics degree with more than 25 years of experience in funds management and finance in Australia and Asia. Prior to forming AAP Capital, Mr. Ash was a Managing Director, Head of Asset Finance for Developed Asia and a member of the Australian executive team for Nomura Australia. He has also worked at Westpac, Macquarie Bank and KPMG.

4. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF SHARES – SUTTON NOMINEES

4.1 Background

On 1 April 2022, the Company issued and allotted 125,000,000 fully paid ordinary Shares at \$0.0008 per Share to Sutton Nominees Pty Ltd <W M Gatacre Family Fund>. 68,750,000 of these Shares were approved for issue at the Company's 2021 AGM. This resolution seeks ratification of the remaining 56,250,000 Shares. The Shares were issued to raise additional funds for working capital.

4.2 ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

4.3 ASX Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

By ratifying the issue of Shares, the subject of Resolution 3, the base figure (ie. variable "A") in which the Company's 15% annual placement capacity is calculated will be a higher number which in turn will allow a proportionately higher number of securities to be issued without prior Shareholder approval.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Shares will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1 respectively, increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Shares.

If Resolution 3 is not passed, the Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Shares.

4.5 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) The 56,250,000 Shares were issued to Sutton Nominees Pty Ltd <W M Gatacre Family Fund>.
- (b) the issue price of the Shares was \$0.0008;
- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued on 1 April 2022;
- (e) funds raised from the issue of Shares were used to meet ongoing corporate costs and for working capital.

5. RESOLUTIONS 4– RATIFICATION OF PRIOR ISSUE – CONVERTIBLE NOTES (LR 7.1)

Resolution 4 seek Shareholder ratification for the prior issue of 650,666,076 Convertible Notes (Notes).

On 1 August 2022, the Company issued 650,666,076 Notes to existing holders of Notes in settlement of interest payable on the Notes to 30 June 2022 at \$0.0009 each.

A summary of ASX Listing Rule 7.1 is set out in section 4.2 above.

5.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the issue of the Notes will be excluded in calculating the Company's 15% placement capacity limit under ASX Listing Rules 7.1, increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Notes.

If Resolution 4 is not passed, the Notes will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Notes.

5.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Notes were issued to current holders of Notes. None of these Note holders are a related party of the Company;
- (b) the Notes issued were all Convertible Notes issued on the same terms and conditions as the Company's existing Convertible Notes. A summary of the terms of the Notes is set out in Annexure A;

- (d) the issue price for all of the Notes was \$0.0009; and

6. RESOLUTION 5 – ISSUE OF NEW CONVERTIBLE NOTES

6.1 General

Resolution 5 seeks shareholder approval to issue and allot up to 632,022,102 Convertible Notes to current Note holders (not including related parties) in consideration for interest payable on the Notes to 31 December 2022.

If Resolutions 6 to 8 are not passed, the Company will not be able to proceed with the issue of the Notes and will need to pay the interest due on the Notes in cash.

7.3 ASX Listing Rule 10.11

As the issue of Shares, the subject of these Resolutions, involves the issue of securities to related parties of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in these current circumstances.

8.3 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in section 6.3 above

It is the view of Directors that the issue of Shares pursuant to Resolutions 9 to 11 falls within the exception under section 211 of the Corporations Act (reasonable remuneration) given the circumstances of the Company and the position held by the Directors. Accordingly, the Directors are not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.11.

A summary of ASX Listing Rule 10.11 is set out in section 7.3 above.

Accordingly, the issue of Shares the subject of this resolution will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

9. RESOLUTION 12 - APPROVAL FOR ADDITIONAL SHARE PLACEMENT CAPACITY

9.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its Annual General Meeting to allow it to issue Equity Securities up to 10% of its issued capital (**Additional Placement Capacity**). For the purposes of ASX Listing Rule 7.1A an 'eligible entity' is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. Lakes Blue Energy NL is an 'eligible entity'. The Additional Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1 and, as such, if the Additional Placement Capacity is approved, the Directors will be allowed to issue equity securities of up to 25% of the Company's issued share capital without prior approval from shareholders.

The Company seeks Shareholder approval by way of a special resolution to have the ability to issue equity securities under the Additional Placement Capacity, should the need arise. The Company has not previously sought and obtained shareholder approval under Listing Rule 7.1A.

As a **special resolution** at least 75% of votes cast by Shareholders eligible to vote at the meeting must be in favour of the resolution for it to be passed.

9.2 Technical information required by Listing Rule 14.1A

If Resolution 12 is passed, LKO will be able to issue an additional 10% of shares without Shareholder approval under its placement capacity under Listing Rule 7.1A.

If Resolution 12 is not passed, the Company will only have 15% of placement capacity available to it, decreasing the number of equity securities the Company can issue without Shareholder approval over the next 12-month period.

9.3 ASX Listing Rule 7.3A Requirements

Pursuant to ASX Listing Rule 7.3A, any security issued under the Company's Additional Placement Capacity must be in an existing quoted class of securities and issued for cash consideration per security not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1 following shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.3A.2 on the basis of the current market price of Shares and the current number of ordinary securities quoted on ASX for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- i. two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

Table 1

Variable "A" Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.001 50% decrease in Issue Price	\$0.001 Issue Price	\$0.002 50% Increase in Issue Price
46,554,599,508 (Current number of Shares on Issue)	10% Voting Dilution	4,655,459,951 Shares	4,655,459,951 Shares	4,655,459,951 Shares
	Funds Raised	\$2,327,730	\$4,655,460	\$6,983,190
69,831,899,262 (50% increase in Shares on Issue)	10% Voting Dilution	6,983,189,926 Shares	6,983,189,926 Shares	6,983,189,926 Shares
	Funds Raised	\$3,491,595	\$6,983,190	\$10,474,785
93,109,199,016 (100% increase in Shares on Issue)	10% Voting Dilution	9,310,919,902 Shares	9,310,919,902 Shares	9,310,919,902 Shares
	Funds Raised	\$4,655,460	\$9,310,920	\$13,966,380

The above table is based on the following assumptions:

- The number of shares on issue (variable “A”) is calculated as 46,554,599,508 being all fully paid ordinary shares quoted on ASX as at the date of this Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the Additional Placement Capacity includes only Shares.
- The issue price of \$0.001 was the closing price of shares on ASX on 3rd October 2022.

Equity securities under the Additional Placement Capacity may be issued until the earlier of:

- the time and date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- the time and date of LKO’s next Annual General Meeting; or

- the time and date of approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.
- To be clear, any approval of the Additional Placement Capacity at this Annual General Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.
- The Company may issue equity securities under the Additional Placement Capacity for cash consideration: to raise funds for the development of the Company's new and existing products and services, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any equity securities under the Additional Placement Capacity.

The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from the Company's advisors.

As the Company has no current plans to undertake a new capital raising, the allottees under the Additional Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

LKO sought Additional Placement Capacity at its 2021 Annual General Meeting. During the 12 months preceding the date of this meeting, it issued 100% of its 10% placement capacity under Listing Rule 7.1A being 10% of the total number of shares on issued at the commencement of the 12-month period preceding this AGM. All 3,552,140,896 Shares utilising the full 10% additional placement capacity were issued on 2 February 2022 at \$0.0008 per Share raising \$2.84 million as part of the Prospectus Offer. Funds raised from the Prospectus Offer were used for working capital, drilling of the Wellesely-2 Gas Well, cost associated with the offer and Wellesley gas production flowline or resumption of Victorian exploration. As at the date of this Notice of Meeting, all of the funds raised under Listing rule 7.1A have been used.

A voting exclusion statement has been included in this Notice. However, as at the date of this Notice, the Company has not approached any particular existing Shareholders to participate in the issue of equity securities under the Additional Placement Capacity. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice.

When the Company issues equity securities pursuant to the Additional Placement Capacity, it will give to ASX a list of the allottees of the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4.

Adjustments to Conversion Ratio

If at any time prior to the earlier to occur of the Conversion, Redemption or Maturity Date of the Notes the Company makes a pro rata offer (excluding a bonus issue) to Shareholders, the Conversion Ratio will be adjusted using the formula as follows:

Reorganisation of capital

The Company may only reorganise its capital:

- (i) in accordance with the Listing Rules; and
- (ii) if, in respect of the Notes, the number of Notes or the Face Value, or both, is reorganised so that the Holders will not receive a benefit that Shareholders do not receive.

Unless the Listing Rules require otherwise, the Conversion Ratio must be adjusted as follows:

- (1) Reduction in capital

If the issued capital of the Company is reduced, the entitlement of a Holder to convert its Notes to shares at the Conversion Ratio will be reduced in the same proportion and manner as the issued capital is so reduced (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the reduction of capital) but in all other respects the Conversion Rights will remain unchanged.

(2) Consolidation of capital

If the issued capital of the Company is consolidated, the entitlement of a Noteholder to convert its Notes to shares at the Conversion Ratio will be reduced in the same proportion and manner as the issued capital is so consolidated (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the consolidation of capital) but in all other respects the Conversion Rights will remain unchanged.

(3) Subdivision of capital

If the issued capital of the Company is subdivided, the entitlement of a Holder to convert its Notes to shares at the Conversion Ratio will be increased in the same proportion and manner as the issued capital is so subdivided (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the subdivision of capital) but in all other respects the Conversion Rights will remain unchanged.

Repayment of Face Value and any unpaid interest at the Maturity Date in cash.

If the Company issues a Redemption Notice, and the Notes are not subsequently converted, then the Notes will be redeemed by the Company at 103% of their Face Value.

Notwithstanding the issue of a Redemption Notice, a Holder may give a Conversion Notice (which may be expressed to be subject to Takeover Event completing) in respect of any of its Notes which are the subject of the Redemption Notice up to the before the relevant Redemption Date (or such later time as the Company may agree with the relevant Holder), and only Notes for which Conversion Notices have not been so given or are treated as having not been given will be Redeemed on the specified Redemption Date.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **2:00pm (AEDT) on Wednesday, 23 November 2022.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
