

## **ASX ANNOUNCEMENT**

31 October 2022

### **RESUMPTION OF OPERATIONS AT NINGBO, CHINA**

Reliance Worldwide Corporation Limited (ASX: RWC) (“RWC” or “the Company”) advises that operations have recommenced at its manufacturing plant and distribution centre in Ningbo, China.

Operations were suspended in mid-October following a government-mandated lock down of the region due to increased incidence of Covid.

Supply of EZ-Flo products manufactured at the Ningbo plant has not been impacted with customer orders able to be fulfilled from inventory held in the US.
