#### **SELECT HARVESTS LIMITED MARKETING OF MOUNTVIEW ORCHARD**

Paul Thompson, Managing Director of Select Harvests Limited ("SHV"), advises that the real estate agency and advisory firm, LAWD, have been appointed to market SHV's Mountview almond orchard.

The strategic decision to market Mountview is based on its relatively small scale. Mountview is SHV's smallest almond orchard, and some distance from other SHV orchards. The proceeds will be redeployed within SHV's core business, in line with the company's capital management policy.

Mountview almond orchard is located within SHV's 'Northern Growing Region', in close proximity to Griffith, NSW. The orchard consists of approximately 124 hectares of planted almonds. No water entitlements are attached to the orchard.

An update on the marketing process will be provided as part of the FY2022 Full Year Results Announcement on 22 November 2022.

This announcement has been approved by the Board of Select Harvests.
