5.2 Board Recommendation

The Directors (in the absence of Mr Brennan) recommend that shareholders vote in favour of Resolution 4 for the election of Mr Brennan. Due to the interest he has in the outcome of Resolution 4, Mr Brennan makes no recommendation to Shareholders in relation to Resolution 4.

6. Resolution 5: Approval of increased placement capacity

6.1 Placement capacity

ASX Listing Rule 7.1A enables eligible entities, after obtaining shareholder approval at an annual general meeting, to issue equity securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting

(10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1. This Resolution 5 seeks approval to allow the Board the flexibility to issue additional Shares if it so decided. The Board may decide not to issue any Shares pursuant to this Resolution 5.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility.

The exact number of equity securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If this Resolution 5 is not approved by shareholders then the Company will not have the flexibility of an available additional 10% capacity to issue Shares under the 10% Placement Facility described in this section 6 of the Explanatory Memorandum. The Company not having the 10% Placement Facility will have no effect on the Company's existing Listing Rule 7.1 15% capacity.

6.2 Description of Listing Rule 7.1A

Any equity securities issued under the 10% Placement Facility (**Placement Securities**) must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue one class of quoted equity securities, being ordinary shares (**Shares**).

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Placement Securities calculated in accordance with the formula in Listing Rule 7.1A.2.

The effect of Resolution 5 will be to allow the Directors to issue the Placement Securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without using any of the Company's 15% placement capacity under Listing Rule 7.1.

6.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) Period for which approval will be valid

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; or

- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX

(10% Placement Period).

(b) Minimum issue price

If any Placement Securities are issued, the minimum price the Placement Securities will be issued for cash consideration which is not less than 75% of the VWAP of equity securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Placement Securities are to be issued is agreed; or
- (ii) if the Placement Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Placement Securities are issued.

The actual number of Placement Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Placement Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(c) Maximum Number of Shares to be Issued:

Listing Rule 7.1A.2 provides that an eligible entity which has obtained a 7.1A mandate may, during the period of the mandate, issue or agree to issue a number of equity securities (**N**) equal to the 10% Placement Facility, calculated in accordance with the following formula prescribed in Listing Rule 7.1A.2:

$$N = (A \times D) - E$$

where:

A = is the number of shares on issue 12 months before the date of the issue or agreement:

- plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

- the agreement was entered into before the commencement of the relevant period; or

- the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,

- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- less the number of fully paid ordinary securities cancelled in the relevant period.

(Note: "A" has the same meaning as in Listing Rule 7.1 when calculating the 15% capacity);

D = 10%;

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period (being the 12 month period immediately preceding the date of the issue or agreement), where the issue or agreement has not been subsequently approved by holders of ordinary securities under Listing Rule 7.4;

(d) Purposes for which Placement Securities may be issued

The Company may seek to issue the Placement Securities as cash consideration for the acquisition of new assets and or other investments, or as cash for general working capital purposes.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon issue of any Placement Securities.

(e) Effect on existing (non-participating) Shareholders

If Resolution 5 is approved by Shareholders and the Company issues Placement Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:

- (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the Placement Securities than on the date of the Annual General Meeting; and
- (ii) the Placement Securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date.

The below table is included for illustrative purposes and shows the potential dilution of existing Shareholders on the basis of the current market price of the Shares as at 12 October 2022 and the current number of Shares for variable "A" (above) calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) Two examples where variable 'A' has increased by 50% and 100%. Variable 'A' is based on the number of Shares the Company has on issue

as at the date of this Notice of Meeting. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing rule 7.1 that are approved at a future shareholders' meeting; and

- (ii) Two examples where the issue price of the Shares has decreased by 50% and increased by 50% as against the current market price.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Placement Securities available under the 10% Placement Facility.
- (ii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- (iv) The table shows only the effect of issues of Placement Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (v) The issue of Placement Securities under the 10% Placement Facility consists only of Shares.
- (vi) The issue price is \$0.081, being the closing price of the Shares on ASX on 12 October 2022 (Deemed Price).

(f) Company's share allocation policy

The Company's share allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement

Facility. The identity of the allottees of Placement Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, issues in which existing security holders can participate;
- (ii) the effect of the issue of the Placement Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(g) Information under ASX Listing Rule 7.3A.6

As at the date of this Notice the Company has not issued any equity securities under Listing Rule 7.1A.2 in the past 12 months preceding the date of the AGM.

(h) Voting exclusion statement

A voting exclusion statement is provided above in this Notice. As at the date of this Notice the Company is not proposing to make an issue of equity securities under Listing Rule 7.1A.2.

6.4 Recommendation

The Directors of the Company believe that Resolution 5 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution 5. The Chairman intends to exercise all undirected proxies in favour of Resolution 5.

7. Resolution 6: Approval to Amend Constitution - virtual meetings

Resolution 6 proposes the amendment of the Company's Constitution, to permit the Company to hold virtual meetings of members in accordance with the provisions of the Corporations Act, by inserting further defined terms into clause 1.1 and removing the existing clause 12.23 and replacing it with a new clause 12.23 in the form annexed to this Explanatory Memorandum as Annexure "A".

Pursuant to section 136(2) of the Corporations Act, the Company may only modify its Constitution by special resolution. Commencing as from 3 August 2022 the provisions of Schedule 2 to the *Corporations Amendment (Meetings and Documents) Act 2021 (Cth)* relating to electronic meetings and sending of documents came into effect. Under the provisions of that Act, company meetings can now be held:

- physically in person;
- partly in person and partly virtually using virtual meeting technology;

- entirely virtually using virtual meeting technology, so long as that is *expressly allowed under the company's constitution*.

The current Constitution of the Company does not specifically allow for shareholder meetings to be held 'virtually'. Amending clause 12.23 provides that the Constitution will more closely reflect the new requirements under the *Corporations Amendment (Meetings and Documents) Act 2021 (Cth)*, which the Board believes provide more clarity and practical detail to the Constitution and are important to include.

The new clause 12.23 has been drafted so that where that clause does not address a particular item already dealt with in the Constitution, the existing provisions of the Constitution still apply. Accordingly, the Company wishes to retain the flexibility to be able to conduct meetings virtually, as it believes in many instances a shareholder meeting held virtually is a more efficient and far less costly means of conducting a shareholder meeting.

The proposed changes do not seek to mandate that all shareholders meetings must be held virtually, just that the Company has the ability to do so if it decides to do so. If this Resolution 6 is not approved by Members, the Company will not be able to hold members meeting virtually and will not have the above-described flexibility and costs savings.

If this Resolution 6 is not approved by Shareholders, there is less certainty for the Company and Shareholders as to the extent a meeting could be held virtually and how that meeting could be conducted.

Recommendation

The Board unanimously recommends that shareholders vote in favour of Resolution 6.

8. Resolution 7 – Approval to Amend Constitution - re-insert Proportional Bid provisions

Resolution 7 proposes the amendment of the Company's Constitution to re-insert Clause 11 of the Company's Constitution in the form Clause 11 comprising Annexure "B". When the Constitution was adopted, Clause 11 contains provisions dealing with member approval requirements if there were to be any proportional takeover bids for the Company's securities (**Proportional Bid Provisions**). Annexure "B" re-instates the identical wording as formed part of the Constitution when it was originally adopted.

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the *Corporations Act* (and Section 11 of the Constitution) provide that these Proportional Bid Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the members. The Board believes it is appropriate that the Proportional Bid Provisions of the Company's Constitution (Clause 11) be reinstated.

In seeking the members' approval for the renewal of the Proportional Bid Provisions, the *Corporations Act* requires the below information to be provided to members.

Effect of provisions proposed to be renewed

Clause 11 of the Constitution provides that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a proportional takeover bid unless and until after the proposed transfer has been approved by the members at a general meeting of the Company (**Approving Resolution**). The person making the offer for the securities (**Offeror**) (and their associates) cannot vote on the Approving Resolution and the Approving Resolution requires the approval of more than 50% of members who are entitled to vote at that meeting.

Clause 11 also provides that:

- (i) If an Approving Resolution is not voted upon within 14 days of the end of the bid period, the Approving Resolution is deemed approved; and
- (ii) If the Approving Resolution is rejected, all unaccepted offers under the proportional takeover bid are deemed withdrawn and the Offeror must rescind each contract created as a result of the acceptance of an offer under that proportional takeover bid.

Reasons for the resolution

Clause 11 of the Constitution is required to be re-inserted as more than 3 years have passed since the initial adoption of the Constitution. Section 648(G)(1) of the *Corporations Act* provides that Proportional Bid Provisions such as provided in Clause 11 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables the members to approve a renewal of Proportional Bid Provisions by way of amendment to the Company's Constitution.

The Directors believe that the members should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of **all** of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). To preserve this choice, Clause 11 needs to be renewed. If Clause 11 is renewed and any proportional takeover bid (if any) is subsequently approved by members, each member will still have the right to make a separate decision whether that member wishes to accept the (proportional takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of these Explanatory Notes, none of the Directors is aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

The advantages and disadvantages of the Proportional Bid Provisions since their adoption

As there have been no takeover bids made for any of the shares in the Company since the adoption of the Proportional Bid Provisions, there has been no application of Clause 11 applied for the period since adoption of Clause 11.

Potential advantages and disadvantages of the proposed resolution for both directors and shareholders

An advantage to the directors of renewing the Proportional Bid Provisions is that the Board will be able to assess the member's acceptance or otherwise of a proportional takeover bid should one be made.

As stated above, renewing Clause 11 provides the members with the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of **all** of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). If Resolution 7 is not approved and Clause 11 is not renewed, members will not have this opportunity.

On the other hand, it may be argued that the renewal of Clause 11 may make proportional takeover bids more difficult to succeed and therefore effectively discourage proportional takeover bids being made and reduce the freedom for members to sell some of their securities.

Recommendation for Resolution 7

Balancing the above advantages and disadvantages, the Directors are of the view that the advantages of renewing the Proportional Bid Provisions outweigh any disadvantages and unanimously recommend the renewal. Accordingly, shareholder approval is sought pursuant to this Resolution 7.

Recommendation

The Board unanimously recommends that shareholders vote in favour of Resolution 7.

9. Further information

The Directors are not aware of any other information which is relevant to the consideration by members of the proposed Resolutions set out in this Notice of Meeting.

The Directors recommend members read this Explanatory Memorandum in full and, if desired, seek advice from their own independent financial or legal adviser as to the effect of the proposed resolutions before making any decision in relation to the proposed Resolutions.
