- the proxy is either a:
  - member of the Company's KMP; or
  - closely related party of a KMP; and
- the appointment does not specify the way the proxy is to vote on the resolution.

However, in accordance with the Corporations Act, the above prohibition does not apply if:

Shareholders are referred to the Explanatory Memorandum accompanying and forming part of this Notice of AGM.

### **Entitlement to Vote**

It has been determined that for the purposes of the Meeting, ordinary shares in the Company (Shares) will be taken to be held by the persons who are the registered shareholders of the Company at 7.00 p.m. (Hobart time) on Monday, 17 October 2022. Accordingly, Share transfers registered after that time will be disregarded in determining entitlements to participate in and vote at the Meeting.

### **Resolutions to be determined by Poll**

Voting on each item of business at the AGM will be conducted by poll.

### **Voting by Proxy**

Sections 250BB and 250BC of the Corporations Act apply to voting by proxy. Shareholders and their proxies should be aware of the requirements under the Corporations Act, as they will apply to this Meeting. Broadly:

- if proxy holders vote, they must cast all directed proxies as directed; and,
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

You should seek professional advice if you need any further information on this issue.

In accordance with section 249L of the Corporations Act, shareholders are advised of the following:

## Business

---

- A shareholder entitled to attend and vote at the Meeting has a right to appoint a proxy to attend and vote instead of the shareholder. A proxy need not be a shareholder and can be either an individual or a representative of a body corporate.
- A proxy need not vote on a show of hands, however if a proxy does vote on a show of hands, the proxy must vote as directed.
- A shareholder entitled to cast two or more votes at the Meeting may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the shareholder's votes. If a shareholder appoints two or more proxies that specify different ways to vote on a resolution, none of the proxies may vote on a show of hands.
- If an appointed proxy is not also the Chairman of the Meeting, the proxy need not vote on a poll, however if the proxy does vote on a poll the proxy must vote as directed by the shareholder. If a poll is conducted and the proxy holder does not vote, the proxy appointment defaults to the Chairman of the meeting to vote as directed. If the appointed proxy is the Chairman of the Meeting, the proxy must vote on a poll in the manner directed by the shareholder.
- Unless otherwise directed, the Chairman intends to vote all proxies in favour of each resolution to be considered at the Meeting.

### Important information concerning proxy votes for Items 4 and 5

The Corporations Act places certain restrictions on the ability of key management personnel and their closely related parties to vote on the advisory resolution to adopt the Company's remuneration report and resolutions connected directly or indirectly with the remuneration of the Company's key management personnel. Key management personnel of the Company are the directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. Members of key management personnel include directors (both executive and non-executive) and certain senior executives. The Remuneration Report identifies the Company's key management personnel for the financial year ended 30 June 2022. Their closely related parties are defined in the Corporations Act, and include certain members of their family, dependants and companies they control.

For these reasons, shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy as to how to vote on all resolutions.

In particular, shareholders who intend to appoint the Chairman of the Meeting as their proxy (including an appointment by default) are encouraged to direct the Chairman as to how to vote on all resolutions.

If you do appoint the Chairman as your proxy but you do not direct the Chairman how to vote in respect of any or all of items 4 and 5 the Chairman will vote your undirected proxy in favour of each item. The appointment of the Chairman as your proxy with any undirected voting instruction will be deemed to constitute an express authorisation by you directing the Chairman to vote your proxy in favour of each of items 4 and 5. This express authorisation acknowledges that the Chairman will vote your proxy in favour of items 4 and 5 even if he or she has an interest in the outcome of any of the resolutions and even if the items are connected directly or indirectly with remuneration of a member of the key management personnel of the Company and accordingly your votes will be counted in calculating the required majority if a poll is called.

The Board (excluding, in respect of each resolution, the retiring Director) unanimously recommends that shareholders vote in favour of items 2 and 3.

## Remuneration Report (Item 4)

Shareholders are asked to approve the adoption of the Company's Remuneration Report. The Remuneration Report is included in the Directors' Report contained in the Company's 2022 Annual Report which is also available on the Company's website at [www.mystatelimited.com.au](http://www.mystatelimited.com.au).

The Remuneration Report sets out the remuneration arrangements of the Managing Director and Chief Executive Officer (**MD & CEO**) and specified senior executives of the Company.

The Corporations Act requires the agenda for an annual general meeting to include a resolution that the Remuneration Report be put to the vote.

An opportunity for discussion of, and comment on, the Remuneration Report will be provided by the Chairman at the AGM.

## Resolution Recommendation

Noting that each Director has a personal interest in his or her own remuneration from the Company as set out in the Remuneration Report. Notwithstanding this, the Board unanimously recommends that shareholders vote in favour of Item 4.

## Approval of the issue of performance rights to the Company's Managing Director and Chief Executive Officer (Item 5)

The Company seeks approval from its shareholders (**Shareholders**), for the purposes of ASX Listing Rule 10.14 and for all other purposes, for the issue of up to 41,203 performance rights (being an unlisted right to acquire one Share subject to the satisfaction of certain conditions)

(**Performance Right**) to the Company's Managing Director and Chief Executive Officer, Mr Morgan, under the Company's Executive Long Term Incentive Plan (**Plan**) as part of his remuneration for the financial year ended 30 June 2022 (**FY22**) (**FY22 Performance Rights**) and for the issue to Mr Morgan of up to 104,916 Performance Rights under the Plan as part of his remuneration for the financial year ended 30 June 2023 (**FY23**) (**FY23 Performance Rights**).

The number of FY22 Performance Rights to be issued to Mr Morgan was determined by dividing \$197,774 (being 70% of Mr Morgan's total fixed remuneration for FY22 pro-rated for the 165 days of his employment for FY22) by \$4.80 being the volume weighted average price of the Shares over the 20 trading days on ASX to 30 June 2021. The number of FY23 Performance Rights to be issued to Mr Morgan was determined by dividing \$625,000 (being 70% of Mr Morgan's total fixed remuneration for FY23) by \$4.17 being the weighted average price of the Shares over the 20 trading days on ASX to 30 June 2022.

A summary of the principal terms of the Performance Rights to be granted to Mr Morgan is set out below.

## Background

A general explanation of Mr Morgan's remuneration arrangements was previously released to the market on 13 October 2021 and these remain unchanged. Mr Morgan's total remuneration package (salary, bonus and fees) for the financial year ending 30 June 2022 was \$328,542.

The Board has set Mr Morgan's remuneration package for FY22 and FY23 to include the grant of Performance Rights under the Plan contingent upon the achievement of performance goals aligned with the continued growth of the MyState business and creation of Shareholder value. The Board has also reviewed the overall alignment of Mr Morgan's and other key executives' long term incentives. The Board aims to consistently align the remuneration of all executives participating in the Company's long term incentive arrangements with similar terms and performance measures which are reviewed annually.

The Company's Remuneration Policy is also available at [mystatelimited.com.au](http://mystatelimited.com.au).

## Requirements under the ASX Listing Rules

ASX Listing Rule 10.14 provides that a company may not issue securities to a director under an employee incentive scheme without the approval of holders of ordinary shares. If Shareholder approval is obtained under ASX Listing Rule 10.14, the issue of the FY22 Performance Rights and FY23 Performance Rights to Mr Morgan will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1.

## Explanatory Memorandum

---

Accordingly, Shareholder approval is sought for the issue of up to 41,203 Performance Rights as part of Mr Morgan's FY22 remuneration and for the issue of up to 104,916 Performance Rights as part of Mr Morgan's FY23 remuneration, in each case under the Plan.

In accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in respect of the proposed issue of the FY22 Performance Rights and FY23 Performance Rights to Mr Morgan.

*Name of the person receiving the securities and the category in ASX Listing Rules 10.14.1 – 10.14.3 the person falls within and why*

The FY22 Performance Rights and FY23 Performance Rights the subject of this Item 5 will be issued to Mr Morgan, who is a Director.

*The number and class of securities proposed to be issued to Mr Morgan under the Plan for which approval is being sought under ASX Listing Rule 10.14*

The maximum number of Performance Rights to be issued to Mr Morgan pursuant to this Item 5 is 146,119 (which on vesting will entitle Mr Morgan to be issued a maximum of 146,119 Shares).

*Details of Mr Morgan's current total remuneration package*

Mr Morgan's current remuneration package, effective from 17 January 2022, comprises \$625,000 as total fixed remuneration (inclusive of superannuation) and up to \$375,000 as the maximum amount he can earn as variable, short term incentive remuneration. Mr Morgan is also entitled to the Performance Rights which are the subject of this Item 5. Shareholders are referred to the Company's current Remuneration Report for further details of Mr Morgan's remuneration.

*The date or dates on or by which the Company will issue the Performance Rights to Mr Morgan*

If Shareholder approval is obtained for the issue of the Performance Rights the subject of this Item 5, the FY22 Performance Rights and FY23 Performance Rights will be granted to Mr Morgan within 3 years of Shareholder approval being obtained.

*The number of securities that have previously been issued to Mr Morgan under the Plan and the average acquisition price (if any) paid by Mr Morgan for those securities*

Since Mr Morgan's employment commenced with the Company in January 2022, the Company has not issued any securities (whether Shares or Performance Rights) to Mr Morgan under the Plan.

*Details required where the securities to be issued are not fully paid ordinary securities*

A summary of the material terms upon which the Performance Rights will be issued is set out below under the headings 'Summary of the terms which apply to the Performance Rights to be issued to Mr Morgan.'

*The price at which the Company will issue the FY22 Performance Rights and FY23 Performance Rights to Mr Morgan under the Plan*

The Performance Rights the subject of this Item 5 will be issued to Mr Morgan. No consideration will be payable by Mr Morgan to acquire Shares on vesting and exercise of the FY22 Performance Rights and FY23 Performance Rights.

*A summary of the material terms of any loan that will be made to Mr Morgan in connection with the issue of the FY22 Performance Rights and FY23 Performance Rights*

The Company will not make any loan available to Mr Morgan in connection with the issue of the Performance Rights the subject of this Item 5 to Mr Morgan.

*A summary of the material terms of the Plan*

The Plan was established by the Board to encourage and motivate the Company's Chief Executive Officer and Managing Director and other eligible executives of the Company by rewarding them with the opportunity to acquire Shares for helping to create long-term value for Shareholders.

Until 30 June 2021, participating executives in the Plan were allocated Shares in the Company, without payment, if performance criteria specified by the Board were satisfied in a set period. Since 1 July 2021, the allocations have been in the form of Performance Rights which, on vesting, deliver one Share for each vested Performance Right.

The number of Performance Rights allocated is based on the volume weighted average price (VWAP) of the Shares calculated over the 20 trading days on ASX to 30 June immediately prior to the commencement of the performance period for the relevant offer.

The maximum value of Performance Rights that may be offered to the Managing Director and Chief Executive Officer of the Company under the Plan is equal to 70% of that person's total fixed remuneration.

Performance Rights, on vesting, entitle the holder to one Share in the Company for each vested Performance Right. For the Performance Rights to vest, certain performance criteria must be satisfied within a specified performance period which is currently three years. The Board has currently set the Company's relative Total Shareholder Return (TSR) and the Company's Statutory Return on Equity (ROE) as the performance criteria.

The performance criteria are assessed following the completion of each three year performance period and Shares cannot be allocated for a further two years. This means a total period of five years will elapse from the commencement of the performance period to the time when Shares are issued to the holder of the vested Performance Right.

## Explanatory Memorandum

---

Any Performance Right or Share offered for issue under the Plan is subject to reassessment and possible reduction or forfeiture. This enables the Board to adjust Share allocations (potentially to zero) to protect the financial soundness of the Company or respond to significant unforeseen or unexpected consequences. In addition, if the Company's Managing Director and Chief Executive Officer or a participating executive is an accountable person under the Banking Executive Accountability Regime (**BEAR**), allocating the Shares will be subject to the Board being satisfied that the accountable person has met their accountability obligations.

The number of Shares allocated (and/or value of any associated payment) may be reduced or cancelled to the extent that the Board determines that the accountability obligations have not been met.

A copy of the rules of the Plan are available at <https://www.mystatelimited.com.au>.

### **Summary of the terms which apply to the issue of FY22 Performance Rights and FY23 Performance Rights to Mr Morgan**

Vesting of the FY22 Performance Rights and FY23 Performance Rights is subject to the satisfaction of two performance criteria that the Board considers both challenging and aligned to growing the long term value of the Company (**Performance Criteria**).

Mr Morgan will be eligible to receive Shares in respect of:

- a. the FY22 Performance Rights granted to him under the Plan if the Performance Criteria are satisfied within the three year period commencing on 1 July 2021 and ending on 30 June 2024 (**FY22 Performance Period**); and
- b. the FY23 Performance Rights granted to him under the Plan if the Performance Criteria are satisfied within the three year period commencing on 1 July 2022 and ending on 30 June 2025 (**FY23 Performance Period**).

After the relevant Performance Period ends, the Board will assess the Company's performance against the Performance Criteria and determine the number of FY22 Performance Rights and FY23 Performance Rights that will vest and, as a result, the number of Shares Mr Morgan may be entitled to be allocated in respect of the vesting of such Performance Rights.

The right to receive a Share on vesting of a Performance Right will then be deferred until the end of a specified period.

The Board has determined the specified period in respect of the FY22 Performance Rights is five years from commencement of the FY22 Performance Period and in respect of the FY23 Performance Rights is five years from commencement of the FY23 Performance Period, in effect creating a deferral period of two years between the conclusion of the relevant Performance Period and the allocation of any Shares to Mr Morgan in respect of vested Performance Rights. During the specified period, no Shares will be allocated or transferred to in respect of vested Performance Rights.

Subject to the ASX Listing Rules, any issue of Performance Rights to Mr Morgan (including Shares which Mr Morgan may be entitled to in respect of vested Performance Rights) are subject to reassessment and possible reduction or forfeiture if an Adjustment Event (as defined in the Plan) occurs or Mr Morgan's employment terminates in particular circumstances. This includes if the assessment of whether the Performance Criteria have been satisfied are found to have been the subject of deliberate management misstatement.

Further, if you are an accountable person of the Company under the BEAR then notwithstanding the above, the specified period will end on the later of the date which is five years from commencement of the Performance Period, and the date on which the Board determines that your accountability obligations under BEAR as an accountable person have been met.

The Performance Criteria will be measured against TSR and ROE, with 50% of the FY22 Performance Rights and FY23 Performance Rights being subject to the satisfaction of the TSR Performance Criteria and 50% of the FY22 Performance Rights and FY23 Performance Rights being subject to the ROE Performance Criteria.

The relative TSR component of the Performance Criteria will be measured against the performance of the ASX 300 companies. The Board has the discretion to change this benchmark group from time to time, in accordance with its discretion in the rules of the Plan.
