

APPOINTMENT OF CHIEF FINANCIAL OFFICER & JOINT COMPANY SECRETARY

Bio-Gene Technology Limited (ASX: BGT, 'Bio-Gene' or 'the 'Company'), an agtech development company enabling the next generation of novel insecticides, announces the appointment of Mr Edmond Tern as Chief Financial Officer (CFO) and Joint Company Secretary effective from 8 April 2024.

Mr Tern is an Australian Certified Practising Accountant with over thirty years' experience working as a senior executive across multiple industries in both public and private enterprises, and with particular interest in process re-engineering and business turnarounds. Prior to joining Bio-Gene, Edmond was CFO/CoSEC of SECOS Group Limited (which is listed on the ASX), CFO/CoSec of Q Technology Group Limited (also ASX listed), and Asia Pacific Controller of ASSA ABLOY, a Swedish multinational, where he was involved heavily in their merger and acquisition activities.

Bio-Gene's Chief Executive Officer, Mr Tim Grogan, said: "I am delighted Edmond has joined our team. Edmond is a highly regarded finance executive with hands-on experience in optimising finance and operations teams. We believe the trust and respect Edmond has built with the investment community throughout his career will be an asset for Bio-Gene."

Roger McPherson has been in this role on an interim basis and will work with Mr Tern for a short period to ensure a smooth transition.

Approved for release by the Board of Directors.

About Bio-Gene Technology Ltd

Bio-Gene is an Australian agtech development company enabling the next generation of novel insecticides derived from nature to achieve high impact globally. Its unique technology is based on compounds with a novel mode of action proven to overcome insecticide resistance with minimal impact on human health and the environment.

Bio-Gene's technology provides multiple potential new solutions in applications across crop protection, grain storage, public health and consumer products. Bio-Gene is developing and commercialising a broad portfolio of targeted insect control and pest management solutions.
