

Market Update – FY25 Revenue Forecast

SKS Technologies Group Limited (ASX: SKS) expects total annual revenue for FY25 to be approximately \$200+ million.

This forecast revenue is based on the continually accelerating level of work on hand, which currently sits at \$178 million, boosted by the recently announced \$90+ million project for an international hyperscale data centre project in Melbourne.

Chief Executive Officer, Matthew Jinks, said, “It’s pleasing to see the continued growth of the business, which is a clear reflection of the market’s confidence in SKS Technologies’ ability to scale resources, and successfully deliver projects across its national footprint, and its broad range of targeted market sectors’
