# CAPITAL MANAGEMENT

## Diverse funding mix

### Debt

- › In July 2017, the Group broadened its funding base and secured a new \$112 million senior syndicated debt facility
  - Provides an additional \$50 million of available funding
  - Term of the facility renewed and extended for 3 years
  - First registered charge over Group
  - Facility can be redrawn and repaid on ongoing basis up to agreed facility limits and subject to conditions
  - Provides flexibility for other new financiers to participate on the same terms in the future
- › Active bond market presence with attractive duration
  - New \$30m senior subordinated note completed with 7.5% fixed rate and 3.5 year term
  - Additional \$10m subordinated Corporate Note completed
- › The Company was in compliance with all covenants throughout FY17

### Equity

- › Completed equity raising in March 2017, placing shares to existing and new shareholders in an oversubscribed placement and raising a total of \$11.5m of additional equity capital net of costs
- › Funds raised applied to fund growth in Group loan book and upgrade IT disruptive systems

### Future Capital Plan

- › Company is continuing to explore a more efficient capital structure and is currently in discussions with various parties:
  - Increased funding lines to provide greater liquidity
  - Benefit from portfolio scale to identify alternative funding to reduce weighted average cost of capital
  - Commenced internal process changes in preparation for securitisation

### Commenced upgrading its systems and platforms to maintain its market leading position

- › Development of complete end to end system over numerous stages, with the first upgrade completed and launched to the market. Key benefits include:
  - Capacity to support growth
  - Improved customer experience
  - Ability to broaden Group's product base
  - Enable flexibility for geographical expansion
  - Continue to improve operating leverage and cost management through increased levels of automation

## STRATEGY

### Focus on long term compound earnings growth

#### Focus on core products and channels

- › The Company continues to focus on organic growth strategy that is aimed at maximizing shareholders returns and value
- › The Group continues to experience favourable trading conditions, with ongoing market penetration and growth in retail merchant and introducer relationships underpinning the Groups growth objectives

- › Strong compound growth in earnings expected to continue in FY18 and beyond underpinned by:
  - FY18 earnings achieved by maintaining current settlement volumes
  - Current pipeline of retail merchant opportunities
  - Compounded by increased reoccurring interest income and cash flow stream from loan portfolio
  - Continued strong growth in new business loan product
  - New IT system expected to deliver enhanced algorithms, new product offerings to existing customer base and operational efficiencies

- › Company is continuing to undertake due diligence and evaluate opportunities in Canada:
  - Initial trial commenced with leading retail merchant
  - Lower operating costs by leveraging IT system enhancements
  - Recruitment of high performing team commenced

**FY18** preliminary guidance of

**\$6.0**m

## STRONG GROWTH OUTLOOK

### Growth momentum to continue

#### Ongoing strong growth is underpinned by multiple factors

- › Benefits of 223% growth in retail merchants and introducers (to 249 in FY17) will underpin several future years of strong volume growth
- › Accelerating weekly loan origination volumes from \$1.3m in 2H16 to \$3.0m in 2H17, currently \$4.0m per week
- › Further pipeline of retail merchants and introducers awaiting accreditation to facilitate further growth
- › Clear opportunities for ongoing market share growth in Australia
- › Rapid growth in Transport sector with very attractive credit performance
- › Profit impact of receivables growth not fully realised until future years
- › Prudent expansion into large Canadian market is on track
- › New product pipeline to leverage growing customer base with known credit performance
- › Strong ongoing credit disciplines and loan book diversity with low credit losses
- › Broadening funding sources to refine capital structure and manage cost of funds
