

Release to the Australian Securities Exchange

LAUNCH OF LATEST VERSION OF SIMMERSON SOFTWARE

Canberra – 08 December 2016: XTEK Limited (ASX: XTE, 'the Company') would like to provide investors with an update on its wholly owned subsidiary, Simmersion Holdings Pty Limited, which is the most recent addition to the group and a business that is growing in significance.

Simmersion has launched the latest version of its proprietary software, XTviz™, which is a simulation program that allows users to move around a spatially accurate 3D environment to conduct visual impact analysis. The software will be useful to a range of organisations, including government agencies, urban planners, property developers, architects, mining companies and environmental impact consultants.

Information on Simmersion Holdings, including an XTviz™ demonstration video and a trial download of the software, can be found at <http://www.xtek.net/simmersion/#.WD5n8MeuBE4>.

About XTEK Limited

XTEK Limited is a leading company in the Australian Homeland Security Market. XTEK's knowledge and expertise is focused on the delivery of protection and sustainment solutions for the government, law enforcement, military and commercial sectors.

The supply and maintenance of Small Unmanned Aerial Systems (SUAS) is becoming a major focus for XTEK.

In addition, XTEK has developed a range of new technologies which it is now commercialising for the international market. XTclave composite protection products and XTatlas real time contextual video provide novel solutions for western military forces.
