ACCC EXTENDS TIMELINE FOR WESTCONNEX REVIEW

Transurban notes that the Australian Competition and Consumer Commission (ACCC) has today advised that it has delayed its decision date in respect of the proposed acquisition by a Transurban led consortium of a 51 per cent interest in the WestConnex assets that are currently for sale by the NSW Government, until 6 September 2018.

Transurban is engaging with the NSW State Government regarding the sale process and will update the market once further information is available.
