### About Gentrack

Gentrack provides essential software for essential services, pairing powerful platforms with deep market knowledge to help utilities and airports lower service costs, foster innovation and confidently navigate market reform. It employs over 500 people in offices across New Zealand, Australia, the UK, Singapore, USA and Europe and services over 200 utility and airport sites globally with its leading solutions.

Gentrack Cloud is a subscription-based billing, customer information, market interaction and portfolio analytics solution for energy and water utilities in markets where flexibility, uniqueness and compliance are essential. Its meter-to-cash capabilities and managed services offering are designed to enable utilities to differentiate their businesses in competitive markets, to deliver great customer service experiences, achieve lower service costs, launch innovative products and stay compliant with market regulations.
