

ASX/Market Release  
30 October 2019

## Real Estate Investar Q1 Appendix 4C and Operational Update

Real Estate Investar Group Limited (“**REV Group**” or “**Company**”) (ASX: REV), a leading provider of investment property Software as a Service (“**SaaS**”) solutions to Australian and New Zealand investors, has released its Appendix 4C for the three months to 30 September 2019 (“**First Quarter**” or “**Q1**”).

### First Quarter Highlights include:

- The Company reported another quarter of positive net operating cashflow;
- Adjusted<sup>1</sup> cash receipts from customers of \$367,000 was 2% up on previous quarter;
- Cash on hand as at 30 Sept 2019 grew to \$0.28 million with commission receivables at settlement totalling approximately c.\$0.8 million;
- The Company introduced accounting treatment changes to provide a more accurate view of revenue by excluding complimentary SaaS subscriptions;
- The SaaS business launched two new product partnerships with CoreLogic RP Data and Archistar, both have been integrated into our leading SaaS tools with bundled pricing packages aiding growth in the number of paying SaaS members again this Quarter; and
- The Company is continuing due diligence on an exciting property technology investment opportunity.

During Q4, the Company reported a positive net operating cashflow position of \$46k, 7% up on previous quarter.

At the end of Q1, the Company’s cash balance was \$276K. In addition, the Company has approximately \$800K of commissions due to it at settlement.

As previously indicated to market, the Company is investigating investment opportunities in the Prop Tech space that can leverage its assets to help accelerate the investees growth. The Company has completed due diligence on a number of investment opportunities that it chose not to undertake but is continuing to conduct due diligence on an exciting prop tech opportunity and will progress that process accordingly.

---

<sup>1</sup> Excluding one off property transaction revenues and historical complementary SaaS revenue

In considering the Company's liquidity and cash requirements for the next 12 months, especially if the Company decides to progress the investment opportunities, the Directors are assessing alternatives for capital raising in the near term.

**Joe Hanna, Executive Director, commented:** "We are pleased to welcome RP Data and Archistar to our growing list of product partners that bolster the capabilities of our market leading SaaS tools. We continue to explore investment opportunities in the Prop Tech space that will leverage our existing assets and provide new growth opportunities for the REV Group."

**\*\* ENDS \*\***

## **Background**

The Real Estate Investar Group Limited (ASX: REV) is a leading prop tech company that provides investment property analysis, tracking and SaaS services to Australian and New Zealand property investors.

Real Estate Investar offers property investors a comprehensive suite of free online services to grow its member base and increase its knowledge of members as they engage with these services. It monetises this base via its SaaS offering by providing members with paid memberships for advanced tools and services.

The Company is proactively looking for opportunities to leverage its assets, including its database of property investors, to secure investment in Australian and New Zealand prop tech companies.

### Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
