ASX Announcement
Market Update

Unfortunately, the Company has experienced further delays in securing funding for its Australian and Fijian projects. Consequently, the Company has been advised by ASX, that due to its inability to complete Chapters 1 & 2 of the ASX Listing Rules within the required timeframe, it will be delisted by the ASX.

The Directors are committed to relisting the Company as soon as possible once funding is secured. Shareholders will be kept advised of progress through the Company website www.pacificdairies.com, on a regular basis.

Paul Duckett
Chairman
