Dear Jon

**Replacement Announcement 'St Barbara successfully completes Institutional Entitlement Offer'**

As discussed, attached is an amended announcement to replace the corresponding announcement submitted earlier today.

The pro-rata accelerated non-renounceable entitlement offer was announced on Wednesday 15 May 2019 (not Tuesday 14 May 2019 as noted in the initial announcement), and this has been corrected in the attached amended announcement.

I apologise for any inconvenience.

Yours sincerely

## St Barbara successfully completes Institutional Entitlement Offer

St Barbara Ltd (ASX:SBM) (“St Barbara” or the “Company”) is pleased to announce the successful completion of the institutional component of its underwritten 1 for 3.1 pro rata accelerated non-renounceable entitlement offer, announced on Wednesday, 15 May 2019 (“Entitlement Offer” or “Offer”).

The accelerated institutional component of the Entitlement Offer (“Institutional Entitlement Offer”) raised approximately \$355 million at the offer price of \$2.89 per new fully paid ordinary share in St Barbara (“New Shares”).

The Institutional Entitlement Offer was well supported by existing eligible institutional shareholders who took up approximately 81% of the New Shares available as part of the Institutional Entitlement Offer. The bookbuild of institutional entitlements not taken up by eligible institutional holders, and institutional entitlements that would otherwise have been offered to ineligible institutional holders, was significantly oversubscribed by both existing and new institutional investors.

Completion of the Institutional Entitlement Offer represents the first stage of St Barbara’s underwritten Entitlement Offer which is expected to raise approximately \$490 million. The net proceeds of the Entitlement Offer are intended to be used to partly fund the acquisition of Atlantic Gold Corporation (“Acquisition”) and pay associated transaction costs.

New Shares subscribed for under the Institutional Entitlement Offer are expected to be settled on Thursday, 23 May 2019 and to be issued and commence normal trading on the ASX on Friday, 24 May 2019. New Shares issued under the Entitlement Offer will rank pari passu with existing St Barbara shares.

St Barbara’s Managing Director and CEO, Bob Vassie said:

### **Retail Entitlement Offer**

The retail component of the Entitlement Offer ("Retail Entitlement Offer") is expected to open on Tuesday, 21 May 2019 and close at 5:00 pm (AEST) on Tuesday, 4 June 2019.

Eligible retail shareholders will be able to subscribe for 1 New Share for every 3.1 St Barbara shares held as at 7.00 pm (AEST) on the record date of Friday, 17 May 2019 ("Record Date"), at the same offer price of \$2.89 per New Share as the Institutional Entitlement Offer. Eligible retail shareholders are shareholders who have a registered address in Australia or New Zealand.

Further details about the Retail Entitlement Offer will be set out in the retail entitlement booklet ("Retail Offer Booklet") which St Barbara expects to lodge with the ASX on Friday, 17 May 2019, in advance of the despatch date which is scheduled to occur on Tuesday, 21 May 2019.

It is important to note that the Retail Entitlement Offer is non-renounceable, and there will be no trading of entitlements. Copies of the Retail Offer Booklet will be available on the ASX website and St Barbara's website [www.stbarbara.com.au](http://www.stbarbara.com.au). Please note that the contents of the St Barbara website do not form part of the offer documents for the Entitlement Offer.

Under the Retail Entitlement Offer, eligible retail shareholders may apply for additional New Shares in excess of their entitlement ("Retail Oversubscription") up to a maximum of 25% of their entitlement at the Offer Price. New Shares not applied for by eligible retail shareholders may be offered to other eligible retail shareholders through applications via the Retail Oversubscription facility. There is no guarantee that applicants under the Retail Oversubscription facility will receive all or any of the additional New Shares for which they apply. The allocation of additional New Shares under the Retail Oversubscription facility will be subject to the terms set out in the Retail Offer Booklet.
