SUBJECT	ISSUE OF PERFORMANCE RIGHTS	

In 2015, Air New Zealand Limited (AIR) (the **Company**) adopted a new Long Term Incentive Performance Rights Plan (the Plan).

The Company advises that it has issued 4,287,459 performance rights for no consideration to the Chief Executive Officer and selected executives under the Plan. The performance rights were issued on 12 October 2018 as approved by the directors of the Company on 26 September 2018.

The performance rights issued under the Plan give participants the right to receive ordinary shares in the Company subject to certain vesting conditions being met on or after 11 September 2021. The vesting of performance rights are subject to the Company's share price outperforming a comparison index made up 50:50 between the NZX All Index and the Bloomberg World Airline Index over a three year measurement period from the date of issue. In particular:

- (a) 50% of performance rights will vest if the Company's share price has matched the index over the measurement period; and
- (b) for each 1% the share price outperforms the index, a further 2.5% of performance rights will vest until reaching the maximum 100%.

If the share price does not match the index on the third anniversary of the issue date, there will be a further six-month opportunity for the performance rights to vest.

In connection with the issue, the Company advises the following details:
