**DomaCom and a Big 4 bank to begin 6-month pilot.**

Following a 3-month review process, one of Australia's Big 4 banks is set to launch a 6-month pilot for fractional property investment using DomaCom. This mutually exclusive agreement will see the bank trial DomaCom's fractional investing model and, if successful, should lead to a commercial deployment within the bank.

DomaCom CEO Arthur Naoumidis said "DomaCom has always been an intermediated business and has been seeking a large B2C partner for some time and we are looking forward to progressing this pilot with the bank".
