Dear Ms Kostopoulos

**CANN GROUP LIMITED (ASX:CAN) – UPDATE TO REQUEST FOR TRADING HALT**

In reference to the request for a trading halt provided to you earlier today, I wish to correct one aspect of that request.

The trading halt was requested pending an announcement to the market. The announcement to the market will not be related to manufacturing but will relate to an investigation that the Company is undertaking.

We will provide details of the issues surrounding our request for a trading halt as soon as possible, which should be prior to the opening of trade on Monday 8 February 2021 at the latest.

Yours faithfully

**Geraldine Farrell**
