Letter from the Chairman

Dear Shareholders,

We are pleased to invite you to the 2020 Annual General Meeting of Micro-X Limited (**Company**). The Annual General Meeting will be held virtually on the online platform, Zoom webinar at https://us02web.zoom.us/webinar/register/WN_Juna6n0RR76S8lI9bG1b7g (please register to attend beforehand) with voting to be conducted at web.lumiagm.com/377426520.

The business to be considered at the Annual General Meeting is provided in Part A of this Notice of Annual General Meeting and an Explanatory Statement in relation to each of the proposed Resolutions is provided in Part D of this Notice of Annual General Meeting.

In addition to the general business at this Annual General Meeting, I would like to note that Shareholders are being asked to approve the adoption of an Employee Equity Plan and Employee Gift Plan (together, the **Employee Incentive Plan**), which provides for the issue of securities to employees and Directors over a three year period, on the achievement of certain milestones in the case of the Employee Equity Plan. This Employee Incentive Plan has been prepared with input from specialist remuneration consultants, consistent with the Company's remuneration strategy to link reward to the performance and delivery of medium to long term results for the Company's shareholders. The proposed Employee Incentive Plan comprises:

- *Long term incentives*, in the form of:
 - service rights for all eligible employees which vest based on service conditions, creating an alignment of equity interests between all employees and Shareholders; and
 - performance rights for the Company's leadership team which vest based upon the achievement of Total Shareholder Return targets over the vesting period;
- *Short term incentives*, in the form of performance rights for the Company's leadership team, based on the achievement of milestones and key performance indicators set and measured by the Board each year; and
- *A gift of Shares to employees*, in the form of \$1000 worth of Shares for all eligible employees, creating a base of ownership across all employees in the Company. The Employee Gift Plan does not apply to the Company's leadership team.

At this time, Peter Rowland – Managing Director is the only Director being granted rights under the Plan.

This Employee Incentive Plan is designed to promote alignment of interests and value creation between all employees and our Shareholders.

Due to the COVID-19 pandemic, the Company has taken significant steps to ensure that Shareholders can participate in the Annual General Meeting virtually while maintaining their health and safety, and abiding by Federal and State Government requirements and guidelines regarding COVID-19. Shareholders will not be able to attend the Annual General Meeting in person, however the Company encourages all Shareholders to participate in the Annual General Meeting via the online platform at https://us02web.zoom.us/webinar/register/WN_Juna6n0RR76S8lI9bG1b7g (please register to attend beforehand) with voting to be conducted at web.lumiagm.com/377426520. Further information on how to do this is set out at Part B of this Notice of Annual General Meeting and the online meeting user guide at www.computershare.com.au/onlinevotingguide and attached to this Notice of Annual General Meeting. Shareholders will be able to hear and view the Annual General Meeting on their own computer, vote on Resolutions and ask questions.

In addition, whilst Shareholders will be able to vote online during the Annual General Meeting, you are encouraged to lodge a proxy ahead of the Annual General Meeting. Shareholders can vote by proxy by completing the enclosed Proxy Form and returning it by fax or in the envelope provided. Instructions on how to appoint a proxy are detailed on the Proxy Form. To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

“That for the purpose of Section 250R(2) of the Corporations Act and for all other purposes, the Remuneration Report (included in the Directors' Report) for the financial year ended 30 June 2020 be adopted.”

Note: In accordance with the Corporations Act, this resolution is advisory only and does not bind the Company or the Directors of the Company. The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

Voting exclusion:

The Company will disregard any votes cast on this resolution (in any capacity) by or on behalf of a member of the Key Management Personnel (being those persons described as such in the Remuneration Report) and a closely related party of such a member and by a proxy who is a member or a closely related party of such Key Management Personnel. However, the Company need not disregard a vote if it is cast by a person (including the Key Management Personnel or their closely related parties) as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form or it is cast by a person chairing the meeting as proxy for a person who is entitled to vote, where the proxy form does not specify the way the proxy is to vote on this resolution but expressly authorises the person chairing the meeting to exercise the proxy even if this resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Any undirected proxies held by Directors or other Key Management Personnel or their closely related parties for the purposes of Resolution 1 (excluding the Chairman) will not be voted on Resolution 1. Accordingly, if you intend to appoint a member of Key Management Personnel as your proxy, please ensure that you direct them how to vote. If you intend to appoint the Chairman of the meeting as your proxy, you can direct him to vote by marking the box for Resolution 1. By marking the Chairman's box on the proxy form, you acknowledge that the Chairman of the meeting will vote in favour of this item of business as your proxy. The Chairman will vote undirected proxies in favour of Resolution 1.

Resolution 2: Re-election of Mr Patrick O'Brien as a Director of the Company

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

Voting exclusion:

There are no voting exclusions on this resolution.

Resolution 3: Re-election of Mr David Knox as a Director of the Company

Voting exclusion:

The Company will disregard any votes cast in favour of this resolution by or on behalf of a person who participated in the issue of the Placement Shares, and any associate of that person or those persons. However, the Company need not disregard a vote cast in favour of the resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 5: Approval of Employee Incentive Plan

To consider and, if thought fit, pass the following resolution, with or without amendment, as an **ordinary resolution**:

Voting exclusion:

The Company will disregard any votes cast in favour of this resolution by or on behalf of a person who is eligible to participate in the Employee Incentive Plan or any associate of that person or those persons. However, the Company need not disregard a vote cast in favour of the resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting prohibition statement:

A person appointed as a proxy must not vote, on the basis of that appointment, on this resolution if:

- the proxy is either:
 - a member of the Key Management Personnel; or
 - a Closely Related Party of such a member; and
- the appointment does not specify the way the proxy is to vote on this resolution.

However, the above prohibition does not apply if:

- the proxy is the chair; and
- the appointment expressly authorises the chair to exercise the proxy even though this resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Note: Given the Directors are eligible to participate in the Employee Equity Plan, the Directors will not be voting on this Resolution.

Resolution 6: Approval of issue of Performance Rights and Service Rights to Mr Peter Rowland under the Employee Equity Plan

To consider and, if thought fit, pass the following resolution, with or without amendment, as an **ordinary resolution**:

"That, for the purposes of ASX Listing Rule 10.14, sections 200B and 200E of the Corporations Act and for all other purposes, Shareholders approve the issue of Performance Rights and Service Rights to Mr Peter Rowland (or his nominee) under the Employee Equity Plan on the terms and conditions set out in the Explanatory Statement."

Voting exclusion:

The Company will disregard any votes cast in favour of this resolution by or on behalf of Mr Peter Rowland, or any associates of Mr Rowland (**Resolution 6 Excluded Party**). However, the Company need not disregard a vote cast in favour of the resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting prohibition statement:

A person appointed as a proxy must not vote, on the basis of that appointment, on this resolution if:

- the proxy is either:
 - a member of the Key Management Personnel; or
 - a Closely Related Party of such a member; and
- the appointment does not specify the way the proxy is to vote on this resolution.

Provided the chair is not a Resolution 6 Excluded Party, the above prohibition does not apply if:

- the proxy is the chair; and
- the appointment expressly authorises the chair to exercise the proxy even though this resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Resolution 7: Approval of 10% Placement Capacity

To consider and, if thought fit, pass the following resolution, with or without amendment, as a **special resolution**:

“That, pursuant to and in accordance with ASX Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, over a 12 month period from the date of the Annual General Meeting, at a price not less than that determined pursuant to ASX Listing Rule 7.1A.3 and on the terms and conditions set out in the Explanatory Statement accompanying this Notice of Annual General Meeting.”

Voting exclusion:

The Company will disregard votes cast in favour in respect of the resolution by a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the Company) or any of their respective associates.

The Company will not disregard a vote on this resolution if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides. If you intend to appoint the Chairman of the meeting as your proxy, you can direct him to vote by marking the box for Resolution 7. By marking the Chairman's box on the proxy form, you acknowledge that the Chairman of the meeting will vote in favour of this item of business as your proxy. The Chairman will vote undirected proxies in favour of Resolution 7.

At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing Shareholders or security holders to participate in an issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

5. Voting by proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder; and
- a Shareholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints two proxies and the appointment does not specify the proportion or number of the Shareholder's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chairman, who must vote the proxies as directed. Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has two or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and

- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

6. Eligibility to vote

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that the persons eligible to vote at the Annual General Meeting are those that are registered Shareholders at 7:00pm (Adelaide time) on 16 November 2020. If you are not the registered holder of a relevant Share at that time you will not be entitled to vote in respect of that Share.

7. Voting procedure

Every question arising at this Annual General Meeting will be decided by a poll. Every person entitled to vote who is present virtually, or by proxy, representative or attorney will have one vote for each voting Share held by that person.

Further information

If you have any queries in respect to any of the matters set out in this booklet, please contact the Company Secretary, Mr Kingsley Hall, on +61 8 7099 3966.

1. Receipt and consideration of accounts and reports

A copy of the Annual Report for the financial year ending 30 June 2020 (which incorporates the Company's Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all Shareholders.

You may obtain a copy free of charge in hard copy form by contacting the Company by phone at +61 8 7099 3966, and you may request that this occurs on a standing basis for future years. Alternatively, you may access the Annual Report at the Company's website: www.micro-x.com or via the Company's announcement platform on ASX. Except for as set out in Resolution 1, no resolution is required on these reports.

2. Resolution 1 – Adoption of Remuneration Report

2.1 Background

Section 250R(3) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the annual general meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the annual general meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that, in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

2.2 Directors' recommendations and interests

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of Annual General Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

3. Resolution 2 – Re-election of Mr Patrick O'Brien as a Director of the Company

3.1 Background

Clause 63.1 of the Constitution provides that any Director, who is not the Managing Director, who holds office for a continuous period in excess of three years or until the third annual general meeting following the Director's appointment or election, whichever is the longer, must submit for re-election.

As Mr Patrick O'Brien was re-elected as a Director at the Company's annual general meeting on 24 October 2017, he must retire at the conclusion of the Annual General Meeting. Being eligible, he offers himself for re-election.

Mr Patrick O'Brien is the Non-Executive Chairman of the Company. He is managing director of Patrick O'Brien & Associates, chairman of Howjack Holdings and a director of The Water & Carbon Group and O'Brien Capital. Patrick has over 30 years' business experience in Australia, the UK, Europe, Asia and the US, including as an executive director with Macquarie Group where he led teams in corporate finance (Melbourne 1996-2005) and private equity (London 2005-2009). In the latter role, Patrick was responsible for Macquarie's controlling stakes in, and chaired, large unlisted groups European Directories and National Grid Wireless. Prior to Macquarie, Patrick was a strategy consultant with McKinsey & Company and a lawyer with Minter Ellison.

Mr Patrick O'Brien is currently Chairman of the Board and is also a member of the Company's People and Remuneration Committee, and Audit and Risk Committee.

3.2 Directors' recommendations and interests

The Board (with Mr Patrick O'Brien abstaining), recommends that Shareholders vote in favour of the re-election of Mr Patrick O'Brien. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Patrick O'Brien's election.

4. Resolution 3 – Re-election of Mr David Knox as a Director of the Company

4.1 Background

Clause 62.1 of the Constitution provides that the Directors may appoint any person as a Director to fill a casual vacancy or as an addition to existing Directors. Clause 62.2 of the Constitution provides that, unless that Director is the Managing Director and the ASX Listing Rules do not require that Director to be subject to retirement, a Director appointed under clause 62.1 of the Constitution will hold office until the end of the next annual general meeting of the Company, at which the Director may be re-elected.

Mr David Knox was appointed by the Directors on 7 April 2020. Accordingly, being eligible, he offers himself for re-election.

Mr David Knox is a Non-Executive Director of the Company. Mr David Knox is a highly experienced and respected business leader with senior leadership, engineering and public markets expertise gained in multi-national, domestic and Commonwealth companies. He was previously the MD and CEO of Australian Naval Infrastructure (until April 2020), and MD and CEO of Santos (March 2008 until December 2015). Prior to this, he was MD for BP Developments in Australasia based in Perth (2003 until 2007), having also worked for BP in Pakistan as Business Unit Leader and in London as Director Capital Productivity. Mr David Knox is currently Chair of Snowy Hydro Limited and The Australian Centre for Social Innovation (TACSI). He is also a board member of Commonwealth Scientific and Industrial Research Organisation (CSIRO), Redflow Limited, Migration Council Australia, Adelaide Festival (AF) and the Royal Institution of Australia (RiAUS).

Mr David Knox is also a member of the Company's Audit and Risk Committee.

4.2 Directors' recommendations and interests

The Board (with Mr David Knox abstaining), recommends that Shareholders vote in favour of the re-election of Mr David Knox. The Chairman of the meeting intends to vote undirected proxies in favour of Mr David Knox's election.

5. Resolution 4 - Ratification of issue of the Placement Shares

5.1 Purpose of resolution

Resolution 4 seeks Shareholder ratification for the purpose of satisfying ASX Listing Rule 7.4 of the issue of the Placement Shares – i.e. 37,503,054 new Shares issued on 23 April 2020 at an issue price of \$0.14 per Share.

Resolution 4 is proposed as an ordinary resolution.

5.2 Overview of regulatory approval requirements

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period (**15% Placement Capacity**) without Shareholder approval.

The Placement Shares were issued without Shareholder approval under the Company's available capacity under ASX Listing Rule 7.1, which was increased from 15% to 25% as part of the temporary emergency capital raising measures introduced by the ASX in response to the COVID-19 pandemic on 31 March 2020 (and amended on 22 April 2020) (**Temporary Extra Placement Capacity**).

ASX Listing Rule 7.4 provides that an issue of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and Shareholders subsequently approve it.

The ASX class waiver decision in relation to the Temporary Extra Placement Capacity provides that the Temporary Extra Placement Capacity will not be able to be ratified or replenished under ASX Listing Rule 7.1 or 7.4. As such, approval is not being sought to ratify or replenish the Temporary Extra Placement Capacity under ASX Listing Rule 7.1 or 7.4.

Approval under ASX Listing Rule 7.4 is being sought so that the issue of the Placement Shares, once ratified pursuant to this Resolution 4, does not use up the Company's 15% Placement Capacity.

If Resolution 4 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue over any 12 month period without the approval of Shareholders

If Resolution 4 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue over any 12 month period without the approval of Shareholders

6. Resolution 5 – Approval of Employee Incentive Plan

6.1 Purpose of resolution

Resolution 5 seeks Shareholder approval, pursuant to ASX Listing Rule 7.2 (Exception 13), to adopt the Employee Equity Plan and Employee Gift Plan (together, the **Employee Incentive Plan**) and to enable Performance Rights and Service Rights, and Shares upon exercise or conversion of those Performance Rights and Service Rights, and Shares to be issued under the Employee Incentive Plan to eligible Directors and employees (**Incentive Securities**) to be exempted from ASX Listing Rule 7.1 for a period of 3 years from the date on which Resolution 5 is passed. A summary of the Employee Equity Plan is set out in Schedule 1 and a summary of the Employee Gift Plan is set out in Schedule 2, both of which are to be adopted pursuant to Resolution 5.

6.2 Rationale for the Employee Incentive Plan

The Company does not currently have an employee incentive plan and proposes that the new Employee Incentive Plan will provide employees of the Company and its subsidiaries with the opportunity to share in the growth in value of the Company and to encourage them to improve the performance of the Company and its return to Shareholders. The Employee Incentive Plan is intended to assist the Company to attract and retain key employees and to build a culture of ownership across all employees in the Company. The Board believes that grants made to eligible participants under the Employee Incentive Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the Employee Incentive Plan will:

- (a) enable the Company to incentivise and retain existing key management personnel and other eligible employees needed to achieve the Company's business objectives;
- (b) enable the Company to recruit, incentivise and retain additional key management personnel and other eligible employees, needed to achieve the Company's business objectives;
- (c) link the reward of key employees with the achievement of strategic goals and the long-term performance of the Company;
- (d) align the financial interest of all participants of the Employee Incentive Plan with those of Shareholders; and
- (e) provide incentives to participants under the Employee Incentive Plan to focus on superior performance that creates Shareholder value.

6.3 Summary of initial grants under Employee Incentive Plan

Under the Employee Incentive Plan, it is proposed that:

- (a) all of the Company's employees will be granted Service Rights that are subject to the satisfaction of certain service conditions. These Service Rights will vest over time based on employees continuing their service with the Company;
- (b) the Company's leadership team, including the Managing Director, Mr Peter Rowland, will be granted Performance Rights that are subject to the satisfaction of certain performance

conditions and/or service conditions and will be based on a proportion of their respective salary packages;

- (c) the Performance Rights for leadership team members will include short term incentives which will only vest based on the level of attainment of pre-agreed operational and financial hurdles as determined by the Board each year;
- (d) the Performance Rights for leadership team members will also include a portion of long term incentives based on the attainment of pre-agreed increases in Share price over three years; and
- (e) the initial grant of all Performance Rights and Service Rights to eligible employees will be split into three equal tranches to vest on the first anniversary of the relevant grant date (likely in December 2021, and on 31 July 2022 and 31 July 2023).

Grants made under the Employee Incentive Plan will be linked to employees' base salary in accordance with the following table:

	LEADERSHIP TEAM MEMBERS		NON-LEADERSHIP STAFF
	Long Term Incentives	Short Term Incentives	Long Term Incentives
Service rights - To vest three years after grant.	15% of base salary	-	5% of base salary
Performance rights - To vest upon achievement of certain Total Shareholder Return targets over three year period.	Target achievement is 15% of base salary at target TSR. Up to 30% of base salary at achievement of 200% target TSR.	-	
Performance rights - To vest on achievement of some or all of the leadership team's KPIs for each year of grant.		Variable % of base salary, ranging from 10% to 50%.	

Resolution 5 is proposed as an ordinary resolution.

6.4 Overview of regulatory approval requirements

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period (**15% Placement Capacity**) without Shareholder approval.

ASX Listing Rule 7.2 (Exception 13) operates as one of the exceptions to ASX Listing Rule 7.1. The effect of Shareholder approval under ASX Listing Rule 7.2 (Exception 13) is that any issues of securities under the Employee Incentive Plan are treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1. Approval under ASX Listing Rule 7.2 (Exception 13) lasts for a period of three years.

At the date of the Annual General Meeting, the Company will be able to rely on the relief granted by ASIC Class Order [CO 14/1000] (**Class Order**) so that the Company is not required to issue a prospectus or other disclosure document in relation to the issue of securities under the Employee Incentive Plan.

If Resolution 5 is not passed, any issue of securities under the Employee Incentive Plan will be included in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue over any 12 month period without the approval of Shareholders

6.5 Specific information

ASX Listing Rule 7.2 (Exception 13(b)) requires certain information to accompany a Notice of Annual General Meeting in relation to approval sought under ASX Listing Rule 7.1 (Exception 13). This information is set out below:

Voting exclusion statement:	A voting exclusion statement in respect of Resolution 5 is contained in the Notice of Annual General Meeting.

6.6 Directors' recommendations and interests

The Directors (with Mr Peter Rowland abstaining) unanimously recommend that Shareholders vote in favour of Resolution 5.

Each Director who is also a Shareholder and who is not otherwise restricted from voting intends to vote in favour of Resolution 5.

The Chairman of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 5.

7. Resolution 6 – Approval of issue of Performance Rights and Service Rights to Mr Peter Rowland under the Employee Equity Plan

7.1 Purpose of resolutions

Resolution 6 seeks Shareholder approval for the purpose of satisfying ASX Listing Rule 10.14 to allow the issue of Performance Rights and Service Rights to the Company's Managing Director, Mr Peter Rowland (or his nominee) under the Employee Equity Plan on the terms and conditions set out in Schedule 1.

Under the Employee Equity Plan, Mr Rowland will be entitled to receive annual grants of the following three types of rights:

- (a) long-term incentive (**LTI**) Performance Rights comprising an amount up to 30% of Mr Rowland's base salary;
- (b) LTI Service Rights comprising an amount up to 15% of Mr Rowland's base salary; and
- (c) short-term incentive (**STI**) Performance Rights (comprising an amount up to 50% of Mr Rowland's base salary).

The Board, in conjunction with the Nomination and Remuneration Committee, has determined that the grant of Performance Rights and Service Rights under the Employee Equity Plan to Mr Peter Rowland is an appropriate form of short and long term incentive, given his position as Managing Director of the Company and is designed to reward the attainment of pre-agreed operational and financial hurdles and increases in Share price over three years as determined by the Board. This is achieved by:

- aligning Mr Rowland's interests with the interests of Shareholders (these KPIs also flow through to executives);
- ensuring that Mr Rowland's remuneration is competitive and aligned with market remuneration for comparable roles in the industry; and
- encouraging the achievement of the Company's strategic goals and overall growth of the Company's business necessary to build competitive advantage and shareholder value.

Resolution 6 is proposed as an ordinary resolution.

7.2 Key terms of Performance Rights and Service Rights

Each Performance Right and Service Right will entitle the holder to one Share upon satisfaction of certain vesting conditions.

The measurement period applicable to each tranche in each offer of Performance Rights is one year for the short-term Performance Rights and three years for the long-term Performance Rights unless otherwise determined by the Board.

The Performance Rights and Service Rights will vest on the following basis:

- a. *LTI Performance Rights* – these rights vest upon the achievement of agreed share price appreciation over a three year vesting period, with a target vesting of 50% of the rights, with the remaining 50% vesting at levels of appreciation greater than the target, up to 200% of the target;
- b. *LTI Service Rights* – these rights vest upon the third anniversary of their issue; and
- c. *STI Performance Rights* – these rights vest upon the achievement of agreed short term annual performance milestones, including, but not limited to milestones measuring revenue performance, operating efficiency, development expenditure, cash usage and employee engagement.

The Performance Rights and Service Rights are otherwise to be granted on the terms of the Employee Equity Plan as summarised in Schedule 1.

7.3 Overview of regulatory approval requirements

(a) **ASX Listing Rules requirements – ASX Listing Rule 10.14**

ASX Listing Rule 10.14 requires shareholder approval to be obtained where a company issues, or agrees to issue, securities under an employee incentive scheme to a director of the company, an associate of the director, or a person whose relationship with the company, director or associate of the director is, in the ASX's opinion, such that approval should be obtained.

As such, Shareholder approval is sought under ASX Listing Rule 10.14 for the issue of Performance Rights and Service Rights to Mr Peter Rowland, a Director of the Company.

ASX Listing Rule 7.2 (Exception 14) provides that, if an issue of securities is approved for the purposes of ASX Listing Rule 10.14, ASX Listing Rule 7.1 does not apply. Accordingly, the Company is not required to seek approval of the issue of the Performance Rights and Service Rights under ASX Listing Rule 7.1.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the Performance Rights and Service Rights to Mr Peter Rowland under Listing Rule 10.14, and will be required to seek approval to issue the Performance Rights and Service Rights to Mr Peter Rowland under ASX Listing Rule 10.11.

(b) Corporations Act requirements – Chapter 2E

Chapter 2E of the Corporations Act requires that for a public company to give a financial benefit to a related party of the public company, the public company must:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights and Service Rights constitutes giving a financial benefit and Mr Peter Rowland is a related party of the Company as he is a Director of the Company.

The Directors (other than Mr Peter Rowland, who has a material personal interest in Resolution 6) consider that the issue of the Performance Rights and Service Rights constitutes reasonable remuneration given the circumstances of the Company and the position held by Mr Peter Rowland. Accordingly, the proposed issue of Performance Rights and Service Rights to Mr Peter Rowland falls within the "reasonable remuneration" exception set out in section 211 of the Corporations Act so that shareholder approval is not required for the purposes of Chapter 2E of the Corporations Act.

(c) Corporations Act requirements – Sections 200B and 200E of the Corporations Act

The Corporations Act restricts the benefits that can be given to persons who hold a "managerial or executive office" (as defined in the Corporations Act) on leaving their employment with the Company.

Under Sections 200B and 200E of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders or an exemption applies.

Amendments to the Corporations Act in 2009 significantly expanded the scope of these provisions and lowered the threshold for termination benefits that do not require shareholder approval. The term "benefit" has a wide meaning and may include benefits resulting from the Board exercising certain discretions under the rules of the Employee Equity Plan, including the discretion to waive or accelerate vesting conditions in respect of a particular holder of Performance Rights and/or Service Rights.

While the Employee Equity Plan provides that all unvested Performance Rights and Service Rights are automatically forfeited and lapse on the date of cessation of employment or office, provided the participant is a "Good Leaver" as defined in the Employee Equity Plan, the Board retains the discretion to determine otherwise. Accordingly, Shareholder approval is sought for Mr Peter Rowland to be given any benefit at the discretion of the Board in relation to the accelerated vesting of Performance Rights and/or Service Rights upon his retirement from office or

employment with the Company if that occurs within 3 years of the date of this Annual General Meeting.

If Shareholder approval is given under Resolution 6, the Company will still be required to comply with ASX Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which termination benefits can be paid and a cap on the value of termination benefits that can be paid to officers of the Company.

The value of the benefit cannot be determined at the date of this Notice of Annual General Meeting and will depend on the number of Performance Rights and/or Service Rights that may vest and the market value of the Shares at the time of cessation of employment.

8. Resolution 7 – Approval of 10% Placement Capacity

8.1 Background

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the Company's 15% Placement Capacity.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that, at the date of the special resolution under ASX Listing Rule 7.1A, is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

"Equity securities" includes shares, unit, options, convertible securities, rights to shares, units or options and other securities ASX classifies as equity securities (**Equity Securities**).

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Capacity.

The exact number of Equity Securities capable of being issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (see below).

The Company continues to see material upside in further investment in its current research and development projects. Should the Company utilise the 10% Placement Capacity, it intends to use the funds raised to carry out further work on its current projects and/or to meet additional working capital requirements.

8.2 Overview of regulatory requirements

(a) **Shareholder approval**

The ability to issue Equity Securities under the 10% Placement Capacity is subject to shareholder approval by way of a special resolution at an annual general meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (virtually, in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice of Annual General Meeting, has on issue three classes of Equity Securities, those being Fully Paid Ordinary Shares, Unlisted Options and Unlisted Convertible Notes.

(c) **Formula for calculating 10% Placement Capacity**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (iv) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% Placement Capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(d) ASX Listing Rules 7.1 and 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% Placement Capacity under ASX Listing Rule 7.1.

At the date of this Notice of Annual General Meeting, the Company has on issue 357,167,839 Shares and therefore has a capacity to issue:

- (i) subject to Shareholder approval being obtained under Resolution 4, 53,575,076 Equity Securities under ASX Listing Rule 7.1; and
- (ii) subject to Shareholder approval being obtained under Resolution 7, 35,716,783 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

(e) Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Capacity under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the entity's next annual general meeting; or
- (iii) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

8.3 ASX Listing Rule 7.1A

The effect of Resolution 7 will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Resolution 7 is not passed, the Company will not be able to issue Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period, and will remain subject to the 15% limit on the issue of Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1. Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (virtually, in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

8.4 Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval under ASX Listing Rule 7.1A at its annual general meeting held on 29 November 2019.

However, in the 12 months preceding the date of the Annual General Meeting (that is, 18 November 2020), the Company has not issued any Equity Securities pursuant to ASX Listing Rule 7.1A.2.

8.5 Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Capacity as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.
- (c) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Annual General Meeting.
- (d) The table also shows:
 - (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
 - (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in ASX Listing Rule 7.1A.2		Dilution		
		\$0.12 50% decrease in Issue Price	\$0.24 Issue Price	\$0.48 100% increase in Issue Price

	Funds raised	\$8,572,028.04	\$17,144,056.08	\$34,288,112.16

(e) The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.
- (ii) No Options (including any Options issued under the 10% Placement Capacity) are exercised into Shares before the date of the issue of the Equity Securities;
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Annual General Meeting.
- (v) The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.24, being the price of the Shares on ASX on Friday, 2 October 2020.

(f) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 7 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule

11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking).

- (g) The Company may seek to issue the Equity Securities for the following purposes:
 - (i) non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances the Company intends to use the funds raised to carry out further work on its current projects and/or to meet additional working capital requirements.
- (h) The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon the issue of any Equity Securities.
- (i) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
 - (iii) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (iv) the effect of the issue of the Equity Securities on the control of the Company;
 - (v) the financial situation and solvency of the Company; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (j) The allottees under the 10% Placement Capacity have not been determined as at the date of this Notice of Annual General Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.
- (k) A voting exclusion statement is included in the Notice of Annual General Meeting. At the date of this Notice of Annual General Meeting, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in an issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

8.6 **Directors' recommendations and interests**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

Each Director who is also a Shareholder and who is not otherwise restricted from voting intends to vote in favour of Resolution 7.

The Chairman of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 7.
