

**11 November 2020**

## **Retail Entitlement Offer – Closing Date Reminder**

**Melbourne, Australia, 11 November 2020:** dorsaVi (ASX: DVL) (**dorsaVi** or the **Company**) wishes to remind its shareholders that the non-underwritten 1 for 4 non-renounceable entitlement offer (**Entitlement Offer**) which was announced on Thursday, 22 October 2020 closes at 5:00pm (AEDT) on Friday, 13 November 2020.

dorsaVi is pleased to provide its eligible shareholders with the opportunity to participate in the capital raising announced on Thursday, 22 October 2020 at the same issue price as the oversubscribed institutional placement that has already raised approximately A\$1.85m. Eligible shareholders who take up their entitlement in full can also apply for additional shares in excess of their entitlement under the oversubscription facility.

The entitlement offer booklet and personalised entitlement and acceptance forms were dispatched to eligible shareholders on Thursday, 29 October 2020. Eligible shareholders can also access their personalised entitlement and acceptance form by logging onto [www.investorcentre.com/au](http://www.investorcentre.com/au) through 'Single Holding', then entering their SRN/HIN and postcode, or username and password and then selecting 'Documents' and clicking to view the form titled 'Entitlement Acceptances', dated 29 October 2020.

If you have any registry related queries, you may contact the share registrar, Computershare Investor Services, on 1300 850 505 (within Australia) or +61 3 9415 5000 (outside Australia) between 8:30am and 5:00pm (AEDT) Monday to Friday. Please refer below for contact details for investor related enquiries concerning the Entitlement Offer.

### ***About dorsaVi***

dorsaVi Ltd (ASX: DVL) is an ASX company focused on developing innovative motion analysis device technologies for use in clinical applications, elite sports, and occupational health and safety. dorsaVi believes its wearable sensor technology enables, for the first time, many aspects of detailed human movement and position to be accurately captured, quantified and assessed outside a biomechanics

lab, in both real-time and real situations for up to 24 hours. dorsaVi's focus is on two major markets:

- **Workplace:** dorsaVi enables employers to assess risk of injury for employees as well as test the effectiveness of proposed changes to OHS workplace design, equipment or methods based on objective evidence. dorsaVi works either directly with major corporations, or through an insurance company's customer base with the aim of reducing workplace compensation and claims. dorsaVi has been used by major corporations including Sodexo, London Underground, Vinci Construction, Crown Resorts, Caterpillar (US), Monash Health, Coles, Woolworths, Toll, Toyota, Orora (formerly Amcor) and BHP Billiton.
- **Clinical:** dorsaVi is transforming the management of patients with its clinical solutions (ViMove, ViMove2 and Professional Suite) which provide objective assessment, monitoring outside the clinic and immediate biofeedback. The clinical market is broken down into the physical therapy (physiotherapists) market, hospital in the home and elite sports. Hospital in the home refers to the remote management of patients by clinicians outside of physical therapy (i.e. for orthopaedic conditions). Elite sports refers to the management and optimisation of athletes through objective evidence for decisions on return to play, measurement of biomechanics and immediate biofeedback to enable peak performance. dorsaVi's ViPerform is being used in the U.S. by the National Basketball Association (NBA), the Major League Soccer (MLS) and the National Football League (NFL). It is also used by the AFL and NRL clubs in Australia, by the English Premier League (EPL) clubs, England and Wales Cricket Board and the Board of Control for Cricket in India as well as various Olympic teams and athletes internationally. dorsaVi's Telehealth provides a virtual clinic, enabling clinicians to do business differently and take their patient consultations online.
