**TYMLEZ appoints Cornelius G Ryan as Strategic and Business Development Advisor
board member for Energy**

TYMLEZ Group Limited (“TYMLEZ” or the “Company”) is pleased to announce the appointment of Cornelius G Ryan as Strategic and Business Development Advisory board member for Energy.

Following the new strategic direction of TYMLEZ, with the primary focus on the marketing and sales of the two marketplaces for the energy and telematics markets, TYMLEZ is pleased to appoint Cornelius G Ryan to work alongside Magnus Olofsson, to the Energy Advisory Board.

“We are very excited to have Cornelius join the TYMLEZ team in his capacity of advisory board member. Cornelius brings his wealth of experience to the TYMLEZ team and his extensive European/Middle East and Asian network in the Energy market, will prove to be a valuable asset for TYMLEZ”, said Reinier van der Drift, CEO of TYMLEZ.

Cornelius, a graduate of Electrical Engineering and Measurement and Control Systems is a seasoned Business Development Executive with over 35 years’ experience in Engineering and Construction.

Operating in the Middle East, Asia, South Africa and Europe, his core strengths include his ability to focus on the key principles of client relationships, development, and growth in shareholder returns. Cornelius has previously served as Executive Director of Business Development at Kentz Corporation LLC (“Kentz”), where he helped drive revenues for over \$120M. Kentz was later sold in 2014 in excess of \$2BN.

Cornelius has a long experience in international collaboration and has interacted at a senior level with major European and Middle Eastern based utilities and Government entities.

“TYMLEZ is an exciting venture with much promise. I am looking forward to working with the team to ensure the company reaches its full potential. I feel that the development of additional concept projects will greatly enhance our future growth within the renewable power sector and I am confident that I can make a significant contribution in this respect, as well as assisting the team to procure additional development partners and investors ” said Cornelius G Ryan.
