VGCCC – CHINA UNIONPAY INVESTIGATION

MELBOURNE: Crown Resorts Limited (ASX:CWN) (Crown) announces that it has been informed by the Victorian Gambling and Casino Control Commission (VGCCC) that it is considering the findings of the Victorian Royal Commission Report insofar as they relate to the China UnionPay process with a view to deciding what disciplinary action should be taken.

Crown previously announced on 7 June 2021 that its Board had received legal advice that the China UnionPay process (which ceased in November 2016) contravened section 68 of the *Casino Control Act 1991* (Vic) and it had notified the predecessor of the VGCCC and the Victorian Royal Commission of that matter.

Crown is responding to information requests from the VGCCC and will fully cooperate with the VGCCC on this and any other matters arising from the Victorian Royal Commission Report.

Crown's priority remains the delivery of its reform and remediation program to ensure Crown delivers a safe and responsible gaming environment.
