

## Vertex Priority Offer Timetable Reminder

Peak Minerals Limited (ASX:PUA) (**Peak** or **the Company**) refers to its announcement of 29 October 2021 regarding the proposed spin-out and listing of its subsidiary, Vertex Minerals Limited (**Vertex**), on the Australian Securities Exchange (**ASX**) by way of an initial public offering.

Vertex lodged its IPO prospectus with the Australian Securities & Investments Commission on 21 October 2021 (**Prospectus**). The Prospectus contains an offer of 27,500,000 fully paid ordinary shares (**Shares**) at an issue price of \$0.20 per Share, to raise \$5,500,000 (before costs) (the **Vertex Offer**).

Vertex is offering all Peak shareholders in eligible jurisdictions that held shares in Peak at 5:00pm (WST) on 22 October 2021 priority to subscribe for Shares under the Vertex Offer, up to the first \$1,500,000 raised (**Peak Offer**).

Under the Peak Offer, Vertex will first prioritise Peak shareholders who would otherwise hold a parcel of less than 10,000 Vertex Shares (\$2,000) following the in-specie distribution, who will be given the opportunity under the Peak Offer to “top-up” their existing holding to a parcel of 10,000 Vertex Shares on Vertex’s listing on the ASX.
