## ENTRY INTO MEMORANDUM OF UNDERSTANDING

**iBosses Corporation Limited (ASX: IB8)** (“iBosses”) is pleased to announce that the Company’s wholly owned subsidiary, iBosses Pte Ltd has entered into a non-binding memorandum of understanding (“**MOU**”) with SingYouth Hub (“SingYouth”). Established in 2008, SingYouth is a non-profit organization that champions the cause of youth development and social engagement. SingYouth has been reaching out to youth and supporting other charities since 2010.

Under the MOU, iBosses and SingYouth (“Parties”) intend to explore the opportunity of offering the Digital Age Entrepreneur program to students of SingYouth. Digital Age Entrepreneur is an online weekly learning program that runs for 52 weeks and teaches students (aspiring entrepreneurs) to have and develop the required systems in place for their startup. The program advocates its students to take entrepreneurial action in relation to what they have learnt from the lessons. The program is taught by iBosses certified mentors who have a wealth of combined experience in entrepreneurship development, business information technology, corporate management and corporate advisory.

The Company will provide updates as and when there are material developments in relation to the MOU.
