About Latin Resources

Latin Resources Limited is a mineral exploration company focused on creating shareholder wealth through the identification and definition of mineral resources in Latin America. The Company has secured over 70,000 hectares of exploration concessions in the lithium pegmatite district of Catamarca and has entered into a binding agreement on a lithium tantalum project in Salta and applied for lithium concessions in San Luis in Argentina.

The company also has a portfolio of projects in Peru and is actively progressing its Iron Oxide-Copper-Gold and Copper Porphyry projects in the Ilo region with its joint venture partners.
