

UPDATE ON SCOPING STUDY

Astro Resources NL is an Australian-based mineral resources company focused on the commercial development and production of economically and environmentally sustainable mineral sands deposits, diamonds, gold and other minerals.

Astro Resources NL (**ARO** or the **Company**) advises that it has received the scoping report from TZMI on late Thursday 29 March 2018. The report is comprehensive and requires the Board and its newly appointed Director, Mir Steve Gemell sometime to digest. A market announcement detailing the relevant key findings will be published as soon as possible.
