Dear Board Members

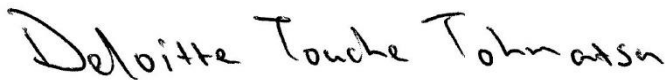

Invitrocue Limited

In accordance with section 307C of the *Corporations Act 2001*, I am pleased to provide the following declaration of independence to the directors of Invitrocue Limited.

As lead audit partner for the review of the financial statements of Invitrocue Limited for the half-year ended 31 December 2017, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours sincerely,

Independent Auditor's Review Report to the Members of Invitrocue Limited

We have reviewed the accompanying half-year financial report of Invitrocue Limited, which comprises the condensed statement of financial position as at 31 December 2017, and the condensed consolidated statement of profit and loss and other comprehensive income, the condensed consolidated statement of cash flows and the condensed consolidated statement of changes in equity for the half-year ended on that date, selected explanatory notes and the director's declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of Invitrocue Limited's financial position as at 31 December 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Invitrocue Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Invitrocue Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

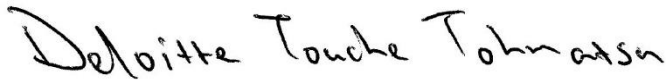

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Invitrocue Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2017 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Material Uncertainty Related to Going Concern

We draw attention to Note 1(d) Going Concern in the financial report which indicates that the consolidated entity incurred a loss after tax of \$1,743,386 and had net cash outflows from operations of \$1,583,188 during the half-year ended 31 December 2017. These conditions, along with other matters as set forth in Note 1(d) Going Concern, indicate that a material uncertainty exists that may cast significant doubt on the ability of the consolidated entity to continue as a going concern. Our conclusion is not modified in respect of this matter.

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) General information

The half-year financial statements cover the Group ('consolidated entity') of Invitrocue Limited and its controlled entities ('consolidated financial statements').

(b) Statement of Compliance

The half-year financial statements are general purpose financial statements prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2017 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

(c) Basis of Preparation

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

Amendments to AASB's and the new Interpretation that are mandatorily effective for the current reporting period

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the group during the financial half-year ended 31 December 2017 and are not expected to have any significant impact for the full financial year ending 30 June 2018.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The Group will adopt these standards from 1 July 2018 but the impact of its adoption has not yet been assessed by the Group.

(d) Going Concern

The Directors have prepared the half year financial report on the going concern basis, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business. The statement of profit or loss and other comprehensive income for the half year ended 31 December 2017 reflects a Group loss after tax of \$1,743,386 (2016: \$1,005,286) and the consolidated statement of cash flows shows a net operating cash outflow of \$1,583,188 (2016: \$1,116,233) for the half year ended 31 December 2017. The consolidated statement of financial position shows net current assets of \$1,245,283 and net assets of \$980,951 as at 31 December 2017.

The Directors have reviewed the cash flow forecast for the Group through to 31 March 2019. The cash flow forecast indicates that the Group will have sufficient funding to operate as a going concern during the forecast period after considering the following factors:

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Going Concern (continued)

- As at 31st December 2017, the Group had cash resources of \$1,555,442. As at 20 February 2018, the group had available cash resources of approximately \$800,000.
- The Group is planning to undertake further capital raising and will be required to raise at least \$2,500,000 by May 2018.
- The Group is in negotiations with a number of potential customers and it is expected that these negotiations will result in revenue earned by the Group within the next 12 months.

The Directors are confident that the Group will be successful in achieving the above matters and that it is therefore appropriate to prepare the financial statements on the going concern basis and that the Group will be able to pay its debts as and when they become due and payable from additional capital raised, operating cash flows and available finance facilities.

In the event that the Group is unable to raise the additional capital or is not successful in its negotiations with a number of its customers as per the cash flow forecast, such events would create a material uncertainty which may cast significant doubt about the ability of the Group to continue as a going concern and therefore, it may be unable to realise its assets and extinguish its liabilities in the normal course of business.

The financial statements do not include adjustments relating to the recoverability and classification of recorded asset amounts nor to the amounts and classification of liabilities that might be necessary should the Group not continue as a going concern.

(e) Foreign currency translation

The financial statements of each group entity are presented in the currency of the primary economic environment in which the entity operates (its functional currency). For the purpose of the financial statements, the results and financial position of the entity are expressed in Singapore dollars, which is the functional currency of Invitrocue Pte Limited (the accounting parent), and the presentation currency for the financial statements. The functional currency of Invitrocue Limited (the accounting subsidiary) is Australian Dollars.

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Nonmonetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2017
