## **APPOINTMENT OF DR NEALE FONG TO WANGLE AS STRATEGIC PARTNERSHIPS ADVISOR**

**Wangle Technologies Limited (Wangle or the Company) (ASX:WGL)** is pleased to advise that it has entered into a consultancy agreement with Dr Neale Fong (**Consultant**), for the purpose of assisting with major partnerships development, and international expansion opportunities for its best in class child protection software, **Wangle Family Insites (WFI)**, as well as for assistance introducing new investors to the Company (**Consultancy Agreement**).

Dr Fong is a registered medical practitioner with over 30 years' experience in medical and health care delivery, having held leadership roles in all health care sectors covering government services, private hospitals, academia, health research, public health, aged care and not for profit community services.

He is currently Chairman on Bethesda Health Care, Chair of the Western Australian Country Health Service Board, Chair for the WA State Government's Ministerial Council for Suicide Prevention, and Professor of Healthcare Leadership at Curtin University. He was awarded a Centenary Medal in 2001 for services to healthcare by the Commonwealth Government.

Dr Fong also has a strong history of serving in board and management positions of both listed and unlisted companies, with strong connections to family offices, leading broking firms, institutional and other high net worth investors.

Wangle Technologies CEO Mr Sean Smith said:

*"The appointment of Dr Fong is an important step forward in support of growth opportunities for Wangle Family Insites. We are fortunate to have secured the services of such a high calibre individual, whose extensive experience and leadership in the areas of both health and government coupled with his strong passion for suicide prevention make him an ideal addition to the team".*

Dr Neale Fong said:

*"Our children are now fully growing up in a digital age with amazing opportunities, but complex and concerning challenges. Wangles Family Insites is an amazing tool that can empower parents and help them manage their children's use of technology in a positive way".*

The Company is pleased that Dr Fong has agreed to accept milestone, escrowed equity as consideration for the provision of his services as this shows his high level of confidence in WFI and commitment to ensuring a successful future for the Company. Please refer to Appendix A for further details.

## ABOUT WANGLE FAMILY INSITES

Wangle Family Insites (**WFI**) offers parents a unique approach to ensuring the safe use of the internet by children and teenagers. By utilising Wangle's world class VPN network, backed by the research insights of childhood development research organisation Telethon Kids Institute, WFI monitors mobile network patterns in real time and advises parents of potential threats as well as providing greater details and resources to parents on the threats identified.

## ABOUT WANGLE TECHNOLOGIES

Wangle Technologies has developed patented algorithms that not only optimise, compress and secure the data flow to mobile devices, but facilitate real time analysis of network patterns and usage behaviours. Wangle's technology provides compelling value to consumers, service providers and enterprises looking for innovative low cost solutions for managing network capacity and use.

**APPENDIX A**

In consideration for providing the Services, the Company will, subject to any required shareholder or regulatory approvals and the Consultant entering into a voluntary restriction agreement with the Company for a period expiring 12 months from 1 February 2018 for Shares issued under the Consultancy Agreement prior to the Escrow End Date, pay the Consultant the following fee:

- (a) 5,000,000 Shares on the date of execution of the Consultancy Agreement;
- (b) 2,500,000 Shares on the date that is 6 months from 1 February 2018, subject to a successful 6-month performance review to be undertaken by the Board of Wangle; and
- (c) 1,250,000 Shares on satisfaction of any agreed milestone to the satisfaction of the Company, during the term of engagement up to a maximum total of 7,500,000 Shares.
