### Appointment of Chairman – Mr David Frances

**Perth, Western Australia:** Tiger Resources Limited (ASX: TGS) (Tiger or Company) is pleased to announce the appointment of Mr David Frances as Chairman of the Company effective immediately.

Mr Frances is an International mining executive of 25 years with a track record of developing assets in the Democratic Republic of Congo (DRC) with Mawson West (TSX: MWE) from 2006- 2012. He developed MWE from a Western Australian gold hopeful into a significant international copper producer, developer, and explorer in the DRC.

After successfully completing a transaction with Anvil Mining and subsequently recommissioning and restarting the Dikulushi copper-silver mine Mr Frances then completed the largest base metals capital raise and IPO in the world for 2010 when MWE was listed on the TSX with a market capitalisation of \$250 million. Mr Frances has also overseen other successful developments which delivered the Challenger gold deposit in South Australia for Dominion Mining – now owned by Kingsgate.

Mr Connelly said, “The Company is delighted to welcome Mr Frances to the Board of Tiger, he brings invaluable technical and in-country knowledge in the DRC. His experience in successful funding, developing projects, proven corporate strategic skills, and knowledge of equity capital and debt markets will provide leadership and support to allow the Company to pursue a restructure and recapitalisation, undertake initiatives to improve operational and financial performance while also developing an updated Life of Mine Plan for its Kipoi Copper production business in the DRC.

Mr Connelly remains on the Board of Tiger as a Non-executive Director. The Company wishes to acknowledge the significant commitment and contribution of Mr Connelly as Chairman of the Company during a challenging time for the Company.
