**ASX Announcement**  
**3 October 2017**

**CAPITAL RAISING**

Caeneus Minerals Ltd ("Caeneus" or "the Company") (ASX: CAD) is pleased to announce a capital raising via a Placement of 200,000,000 fully paid ordinary shares ("Shares") at an issue price of \$0.0015 each for a total amount raised of \$300,000 to sophisticated and professional investors of the Company ("Placement"). The Company will also be issuing a 1 for 1 free attaching listed option exercisable at \$0.003 expiring on or before 31 December 2020 ("Options") (CADO) pursuant to the Placement.

Settlement of the capital raising is expected within a few business days. The Shares will be issued under the Company's placement capacity under ASX Listing Rules 7.1 and the Options will be issued at a later date subject to shareholder approval at the Company's upcoming Annual General Meeting.

Funds raised will be directed towards the Company's exploration efforts at the Columbus Marsh Project in Nevada and the Pardoo Nickel Project in Western Australia.

This announcement effectively lifts the trading halt the Company requested on 29 September 2017. The Company is not aware of any reason why the ASX would not allow trading to commence immediately.
