
Australian Securities Exchange Announcement

18 October 2017

Mt Remarkable Drilling Commences

King River Copper Limited (ASX: KRC) advises that the drilling rig has arrived on site and drilling has commenced on the Mt Remarkable gold project.

A total of 1,500 to 2,000 meters will be drilled (refer ASX announcement 29 September 2017) targeting the potential high grade gold targets identified in the September Activities Report (ASX announcement 12 October 2017).
