## Appointment of General Manager of Mount Coolon Gold Project

Australian Resources company **GBM Resources Limited** (ASX: **GBZ**) (“**GBM**” or “**the Company**”) is pleased to announce the appointment of Mr Ian Horton to the newly created role of General Manager of the Mount Coolon Gold Project.

Mr Horton is an experienced Mining Engineer with more than 30 years in senior operations management roles in Australia and overseas, and is Principal of Linque Consulting, specialising in operational improvement programmes for a number of mining companies around Australasia.

Prior to that he spent considerable years at Australian mining services groups including Macmahon, Thiess, HWE and Eltin in senior roles including managing contract mining projects across Australia. These roles included new mine start-ups in various commodities including gold, coal and iron ore.

Mr Horton has previously worked for, and consulted to, a number of large mining companies including: BHP Billiton, Newcrest Mining, Dominion Gold, Acacia Resources, Carpentaria Gold and MIM. His qualifications include an honours degree in Mining Engineering from the University of Queensland and an MBA from Deakin University. He is the holder of First Class Mine Manager Certificates of Competency for WA, NT and QLD.

Mr Horton’s commodity experience in gold and base metals in Australia and Papua New Guinea, together with his project skills to direct and manage the development and mining phases of projects, will be key to restarting the Company’s Mount Coolon Gold Project.
