## Calima Lands Site Tour Video

### Highlights:

- **Calima provides a video update from a recent site visit**

**Calima Energy Limited (ASX:CE1)** ("Calima" or the "Company") recently hosted a group of key stakeholders to northeast British Columbia where the company owns 72,000 acres of drilling rights in the liquid-rich parts of the Montney resource play.

During the trip the stakeholders met the Calima management team and toured the Calima drilling rights and surrounding infrastructure.

Calima has produced a four-minute video that summarises the site tour. The video can be accessed on the company website at [www.calimaenergy.com/calima-lands-site-visit-2018/](http://www.calimaenergy.com/calima-lands-site-visit-2018/)

## About Calima Energy

**Calima Energy Limited (ASX:CE1)** is an international oil and gas company with over 72,000 acres of drilling rights prospective for the Montney Formation in British Columbia, the most active oil and gas play in Canada.

Calima, which features a board and management made up of some of the most successful oil and gas executives of recent years, is fast-tracking a major oil and gas opportunity in one of the world's most successful and sought after plays.

The Company is preparing to drill several wells close to existing infrastructure, including pipelines and processing facilities.

Calima's neighbours in the Montney include international operators Shell, ConocoPhillips and PETRONAS, as well as Canadian producers Black Swan Energy, Saguaro Resources and Painted Pony Energy. The region's liquids-rich hydrocarbon reserves are being targeted for LNG export alongside domestic and international oil market opportunities.
