## Swift Wins St Barbara through Telstra Partnership ASX: SW1

### RESOURCES DOMINANCE REINFORCED

#### Highlights:

- **Swift's partnership with Telstra has delivered a three-year deal with St Barbara Limited**
- **Swift's services to be deployed across 329-room camp in Leonora**

**Swift partnership with Telstra delivers results:** Leading telecommunications and content solutions provider Swift Networks Group Limited (ASX: SW1, "Swift" or "the Company") is excited to announce that its relationship with Telstra has delivered a new and significant contract win in the resources sector.

**Growth in resources continues:** St Barbara Ltd (ASX: SBM) has selected Swift and Telstra to upgrade its digital entertainment and connectivity services at its 329-man camp in Leonora.

Swift and Telstra will jointly install network infrastructure to deliver wireless internet to each room and upgrade the existing internet link to a fibre-based solution. This will be followed by the provision of ongoing telecommunication services for an initial period of 36 months.

**St Barbara**

Swift will also directly provide its market leading entertainment and crew welfare system, including pay TV, wireless internet, free-to-air TV and 24x7 support, across the contract term.

**Execution of reseller strategy:** Swift Networks CEO, Xavier Kris commented,

*"We are delighted that St Barbara has selected Swift Networks and Telstra as their providers of choice to ensure personnel remain connected and entertained whilst away from home. The strength of our blue-chip partnerships and the opportunities they are delivering are exciting for our business. Telstra and Swift continue to successfully work side by side to deliver market leading solutions to the resources sector in addition to other verticals."*

**About Swift Networks Group Limited**

**Swift Networks Group Limited (ASX: SW1)** is a diversified telecommunications and content solutions provider, entertaining guests and connecting them to the world.

Swift's connectivity and content delivery platform empowers guests to watch, play, connect and interact. Swift brings accommodation providers opportunities to generate additional revenue and offers meaningful data insights to retain existing and drive new business.

Swift sources premium multi-lingual content from around the world and curates, packages and distributes it to clients' guests through its cloud-based platform. The company's services include free-to-air television, pay television, telecommunications, Internet, data, wireless networks and streaming video on demand with content from some of Hollywood's largest studios.

Running in more than 310 sites and approximately 65,000 rooms across the mining, oil, gas, aged care, retirement village and hospitality sectors, Swift's fully integrated platform is deployed in some of the world's harshest regions, where reliability, flexibility and scalability are critical success factors.
