SALE OF NON-CORE ASSETS

NTM Gold Limited (ASX: NTM) advises that it has entered into an agreement to dispose of the whole of NTM's interest in mineral licence applications in the Northern Territory (the Manganese Assets) for \$825,000.

The sale is to a private entity that is unrelated to NTM Gold nor associated with NTM directors.

The Manganese Assets comprise a free carried minority interest in twenty-five mineral licence applications together with an associated royalty interest. It is expected to be settled within 12 days.

The proceeds of the sale will be directed towards funding the Company's exploration activities on the Redcliffe Project. Exploration at Redcliffe will focus on a range of targets aimed at boosting the recently updated resource base, as released to the ASX on 13 June 2018.
