About Prodigy Gold

Prodigy Gold has a unique greenfields and brownfields exploration portfolio in the proven multi-million ounce Tanami Gold district. An aggressive program for 2018 will continue to build on 2017 successes by:

- drilling targets at the Bluebush Project, including the Capstan 8km long bedrock gold anomaly
- drilling of extensions to the 15.3Mt @ 2.1g/t for 1.0Moz of shallow gold Resources¹
- systematic evaluation of high potential early stage targets
- joint ventures to expedite discovery on other targets

Prodigy Gold confirms that it is not aware of any new information or data that materially affects the information included in the market announcement and that all material assumptions and technical parameters underpinning the estimates included in referenced previous market announcements continue to apply and have not materially changed.
