## Market Update

**Cann Global Limited (“ASX: CGB” or “the Company”)** is pleased to advise that the company is in the process of providing the ASX with all the paperwork confirming completion of all the transactions, completion of all the share issues, receipt of all the required escrow agreements, and the related required relisting documentation.

The Company is now finalising the various share issues under the offers to the successful applicants. We expect that the issuance of shares will be completed by the end of this week and to provide the ASX all the requested documentation in the coming days. Once this process is complete, the ASX will advise the Company of the listing date.

The company will update the market immediately upon receipt of the approved listing date from the ASX.
