SRG Global secures \$20m facades contract for Brisbane office tower

Highlights:

- SRG Global has secured a \$20m contract for the design, supply and installation of engineered curtain wall facade for the Midtown Centre Project, Brisbane
- Project works are expected to commence in January 2020 with a total contract duration of approximately 18 months
- The project award builds on SRG Global's strong working relationship with tier-one builder J Hutchinson Pty Ltd

SRG Global (ASX: SRG) is pleased to announce that it has secured a \$20m contract for the Midtown Centre Project in Brisbane. The Midtown Centre Project is a \$175.0m, 26-level development which will redevelop two Queensland Government buildings into one significant A-grade office tower in the centre of the Central Business District.

SRG Global's Facades division will design, supply and install engineered curtain wall facade with works expected to commence in January 2020 and run for approximately 18 months.

SRG Global Managing Director, David Macgeorge said, "Securing this contract is a significant success for our Facades division and SRG Global. We are pleased to be again partnering with tier-one contractor J Hutchinson, who we already have a strong relationship with in both our Facades and Structures businesses. This project also enhances our secured long-term project work in hand."
